

## ADOPT-A-ROAD PROGRAM

The Miami-Dade County Adopt-a-Road Program is a public/private partnership program, which encourages volunteer involvement and community service in the control and reduction of litter to maintain the beautification and world class image of Miami-Dade County.

### **Volunteer organizations commit to:**

- At least a one-year period to the litter pick-up of a specific assigned Miami-Dade County roadway for a minimum of a one-mile segment, both sides of road;
- A minimum of four litter pick-ups throughout the term of the contract;
- Completing and submitting the “Litter Pick-up / Volunteer Sign-in Sheet” to [greenup@miamidade.gov](mailto:greenup@miamidade.gov) after every litter pick-up. Specifically, the number of volunteers, volunteer hours, trash bags collected, and photos of the pick-up must be submitted immediately after the event in order to be counted;
- Identifying Safety Supervisors to oversee each litter pick-up and ensuring that supervisors attend Safety Training (provided by the Miami-Dade County);
- Safety Supervisors must provide and review all safety procedures with volunteers before every litter pick-up, as provided in the “Safety Procedures”;
- All volunteers must sign the “Litter Pick-up / Volunteer Sign-in Sheet”;
- Removing filled litter bags promptly after each organized litter pick-up;
- Organizations must report any changes to the scheduled litter pick-up dates to [greenup@miamidade.gov](mailto:greenup@miamidade.gov). Failure to report changes to this form could result in cancelation of the Litter Removal Agreement.

### **Miami-Dade County commits to:**

- Identify roadways based on availability.
- Provide safety training and supplies for litter pick-ups.
- Promote adopt-a-road organizations' efforts after executed litter pick-ups through social media as long as the information required (stated above) is submitted immediately after each event.
