

## Crandon Park Specific Permit Addendum

**Crandon Park Master Plan Adherence:** The Crandon Park Master Plan is a detailed document that dictates most activities and elements associated with all of Crandon Park. As a Permittee you are required to adhere to these guidelines. With the above being said, please bring any and all requested variations to your operation to the Crandon Park Manager for approval **prior** to implementing the change. You may vary your operation only with written permission for the Park Manager. Park Management has the right and obligation to immediately correct violations of the Master Plan – a process that will involve immediate notification to the Permittee. Due to the length and detail of the Master Plan a copy is kept in the Crandon Park Office for the Permittee’s review. The Permittee may obtain a copy of the Crandon Park Master Plan at copying costs.
