Get it Done Task Force Update

CIAB PRESENTATION_OCTOBER 2010

Get it Done Task Force, the challenge

- Get the area surrounding the AAA in shape in time for Opening Night
- Two months to prepare
- Organize and coordinate City, County and State agencies

Get it Done Task Force, the issues

- Cleanliness – litter, graffiti, paint, etc.
- Safety – lighting, ped signals, crosswalks
- Landscape – weeding, trees, groundcover
- Walkability – pavers, sidewalks, tree grates
- Clutter – signage, abandoned objects

Get it Done Task Force, the update

Overall, tasks are being completed, agencies are cooperating and the area is looking better.

More than 70 % of the tasks are completed, 20% are ongoing and a few more have been elevated to larger, better, long-term solutions (i.e. sidewalk replacement vs. patching and repairing).
