PROJECT INFORMATION

Miami-Dade County Parks, Recreation and Open Spaces is performing a Project Development and Environment (PD&E) Study for the 5.6-mile-long Ludlam Trail Corridor from SW 80th Street to 400 feet north of NW 7th Street, between 69th and 70th Avenues, within the former railroad right-of-way. The project is located in unincorporated Miami-Dade County and the City of Miami, Florida. The purpose of the Ludlam Trail is to provide a new shared-use trail in Miami-Dade County that will include safe, dedicated, direct pathways for walking, running and cycling; to encourage active lifestyles and the use of green non-motorized modes of transportation; and to enhance overall connectivity and accessibility between schools, parks, transit stops and residences, workplaces and shopping.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. To request materials in accessible format, sign language interpreters, communication access real-time translation (CART) and/or any accommodation to participate in any Miami-Dade Parks sponsored program or meeting, contact Gisel Prado, 305-755-7848 or Gisel.Prado@miamidade.gov at least 7 days in advance to initiate your request. TTY users may also call 711 (Florida Relay Service). **To submit your comments, please visit our website at: www.miamidade.gov/ludlamtrail.**
