Fire Rescue

Miami-Dade Fire Rescue (MDFR) provides emergency response and transport services, which encompass fire suppression, Advanced Life Support (ALS) and Basic Life Support (BLS) emergency medical services, hazardous materials mitigation, disaster management and other specialty services. MDFR also provides fire prevention and education services, including life safety fire inspections, fire plan reviews, building permits, and public safety programs and demonstrations. MDFR serves a 1,904 square mile territory and provides daily 24-hour emergency response services to over 1.9 million residents, businesses and visitors through 158 rescue, suppression, battalion and specialty units strategically located in 71 fire-rescue stations within unincorporated Miami-Dade County (the County) and 29 municipalities. In addition to providing transport services through 63 front-line rescue units, MDFR also provides emergency air transport service within Miami-Dade County to State-approved Trauma Centers via two fulltime rescue helicopters.
