## **Internal Services Department**

Overview: ISD provides a wide range of internal support services for the ongoing operation of County government. The Department Owner: focuses on promoting operational best practices and efficient government operations.

Munoz, Alex (ISD)

As part of the General Government and Economic Development strategic areas, ISD supports governmental operations by providing procurement services, countywide vendor services, facility and infrastructure management, program management office's Internal design and construction project management, fleet management, risk management, surplus property disposition services, capital inventory management, and small business development and services. Through these various business lines, ISD is engaged in real estate development and management, Americans with Disabilities Act compliance, elevator regulation, materials management and parking services.

Department: Services

Mission: The Internal Services Department provides a wide range of support to ensure the effective operation of Miami-Dade County government; delivering the highest quality service to internal and external customers and to our community through innovation and best practices.

Vision: Success through collaboration.

Values: Internal Services Department: Where service is our middle name.

☐ Strategic: Planning for success

☐ Expertise: Leadership through experience and knowledge

☐ Responsive: Ready to serve ☐ Visionary: Forward thinking ☐ Integrity: Do the right thing

☐ Collaborative: Leverage collective talent ☐ Effective: Providing quality solutions
