Dear Building Official:

I, _____, inspected the structure identified in the attached report on the property located at _____ which is the subject of unsafe structures enforcement action under Case No. _____. I hereby attest that I inspected the building components and structural elements of the structure on _____, 20____.

I further attest to the best of my knowledge, belief and professional judgment, that there are currently no unsafe or hazardous conditions currently existing with the building components or structural elements of the structure which is the subject of Case No. _____. I also attest that all building code violations have been corrected and the structure is safe for occupancy.

This document is being prepared in accordance with Section 8-5(c)(4) of the Code of Miami-Dade County; and, I acknowledge it must be approved as a condition of receiving final inspection approval of the work performed under any building permit obtained to correct any violations of the Florida Building Code which existed in the structure inspected.

Sincerely,
