APPLICATION FOR TEMPORARY CERTIFICATES OF COMPLETION OR OCCUPANCY

Before submitting an application for Temporary Certificate of Completion (TCC) or Occupancy (TCO) be sure the following steps are complied with:

1. Complete the Temporary Certificate of Completion (TCC) or Occupancy (TCO) application including the notarized signatures of the qualifying agent and the property owner.

2. Provide the building permit number to the Building Permit & Occupancy Representative who will verify all trade permits have been obtained and will indicate those categories that have not been finalized and the completion holds that have not been released. Trade permits must be obtained for the application to be accepted.

3. The completed original TCC or TCO application must be at the jobsite for the inspectors to sign. Request the required pending inspections by calling Voice Response at (305) 591-7966, Permit Records Section at (786) 315-2000, or online at miamidade.gov/development. To request an inspection you need your permit number(s) and three-digit inspection type. For TCC inspection type use 061, and for a TCO inspection type use 030. Requests must be done before 4:00 p.m. the day before the inspection is needed.

4. Obtain release final or temporary of all completion holds for residential TCC or TCO. For commercial buildings Fire Department completion holds must have final or temporary release.

5. Once all inspections are finalized or approved for TCC or TCO and completion holds have been resolved, submit the TCC/TCO application form to the Permit Records Section.

6. After the TCC or TCO is obtained, the release for power authorization is faxed to Florida Power & Light (FPL). Scheduled times for power release is 8:30 a.m. and 2:30 p.m.

7. For South Florida Building Code (SFBC) permits, a TCC/TCO application is valid for 90 days.

For Florida Building Code (FBC) permits, a TCC/TCO application remains valid as long as the permit is active. Prior to the expiration date, final inspections and a permanent Certificate of Occupancy or Certificate of Completion must be obtained. If finals cannot be obtained prior to the expiration, you may apply for an extension to the TCC/TCO. Please follow the above referenced instructions.

8. A TCO/TCC may be revoked if any action by the contractor, owner or tenant creates any code violation affecting the proper occupancy of the area.

9. Any TCO/TCC that expires without renewal has been revoked and can result in a notice of violation, civil violation and/or disconnection of utility services.

Note: For South Florida Building Code permits the 3rd temporary certificate issued will need the Board of Rules and Appeals (BORA) approval before the application is accepted. Contact BORA at (786) 315-2573.
