

Miami-Dade County's

Historic Preservation Ad- Valorem Tax Exemption Program

Instructions and Application

An Art Deco detail from a building in Miami Beach

The Office of Historic Preservation
111 NW 1st Street, Box #114
(12th Floor)
Miami, FL 33128
(305) 375-4958

A Brief Overview

The Ad-Valorem Tax Exemption is a financial incentive that is intended to encourage the rehabilitation and maintenance of historic properties.

The Ad-Valorem Tax Exemption *does not give the property owner a total exemption from all of their taxes*. It is an exemption only on the amount that the taxes would have increased, due to the improvements made to a historic property. The exemption will only apply to those taxing authorities that agree to participate in the program (for example, the city portion or the county portion) and would not affect taxing authorities such as school districts or fire.

WHAT IS THE PROCESS?

- **PART I OF THE APPLICATION:** must be submitted to the County's Office of Historic Preservation (OHP) **previous to construction**.
- A completed Part I Application includes: the application, clearly labeled "Before" photographs (of all areas to be worked on), architectural plans (floor plans and elevations), a copy of the approved COA, proof that the property is historically designated (the resolution that designated the property), and the signed Preconstruction Review from the applicable local historic preservation office.
- A copy of the Part I Application must also be provided to the County's Office of the Property Appraiser by the applicant.

- **PART II OF THE APPLICATION:** is submitted to County staff **after construction is completed**.
- A completed Part II Application includes: the application, clearly labeled "After" photos, a signed covenant, an opinion of title (where the property is owned by a corporate entity only), the signed Review of Completed Work by the applicable local historic preservation office, and a payment of the processing fee.
- A copy of Part II must also be provided to the Office of the Property Appraiser, who will reassess the property once they consider the project substantially complete.
- The Property Appraiser's Office prepares a Revenue Implications Report for County HP staff.
- Once the Revenue Implications Report is prepared, County staff will prepare a covenant and provide it to the applicant for signature.
- When all application parts have been received, the application will be scheduled for a public hearing in front of the County's Historic Preservation Board.
- If approved by the Preservation Board, the application will be placed on the appropriate County Committee agenda.

- After Committee, the item can be scheduled for appearance in front of the full Board of County Commission (BCC) for final approval.
- If applicant is a corporate entity, an Opinion of Title will be required at the time of the BCC approval.
- After the Board of County Commissioners approves an application, the resolution and the covenant will be recorded, and copies are sent to the Property Owner.
- The actual tax exemption is calculated and implemented by the Office of the Property Appraiser.

Please note: If you are filing for a municipal tax exemption as well, a separate application must be filed with that municipality. Currently Miami, Miami Beach, Coral Gables and South Miami offer tax exemptions on the municipal portion of the taxes.
