

Miami-Dade County is soliciting interested contractors to register to participate and perform in Miscellaneous Construction Contract (MCC) Bids under the MCC 7040 & 7360 Plan projects.

Contractual Opportunities are continuously available for all businesses located in Miami-Dade who are interested in doing business with the County.

REGISTERING WITH MIAMI-DADE COUNTY MUST BE DONE VIA MIAMI-DADE COUNTY'S AUTOMATED WEB-BASED VENDOR REGISTRATION PORTAL. Please visit the **INTERNAL SERVICES DEPARTMENT (ISD) Vendor Services** page at <http://supplier.miamidade.gov>, to enroll as a vendor. If you have any vendor registration questions please contact Vendor Assistance at (305) 375-5773.

The types of contracts available under the MCC Program are construction projects, facility repairs, neighborhood improvements, emergency repairs and maintenance work with a maximum value of \$5.0M; ORD 09-101. All capital departments are participating.

Additional opportunities are available through Weatherization Assistance Program (WAP) which enables low-income families to reduce their energy bills by making their homes more energy efficient. Funds are used to improve the energy performance of dwellings by families in need, using the most advanced technologies and testing procedures available in the housing industry. Measures to make homes more energy efficient include: replacement or installation of key components, installation of energy recovery ventilation systems including bathroom and kitchen exhaust fans and installation of whole mechanical exhaust systems to provide better indoor air quality, install attic insulation, install window solar films, repair or replace inefficient cooling units, repair or replace water heaters and address air infiltration with weather stripping, caulking thresholds, minor wall repairs, ceiling and floors, windows and doors.
