

\* **Notice to Qualified Contractors** \*

Miami-Dade County is soliciting interested contractors to register to participate and perform in a Miscellaneous Construction Contract (MCC) Bid under the MCC 7040 & 7360 Plan projects.

The current and upcoming projects are critical to the community as they are increasing the energy efficiency of low-income households while ensuring the family health and safety. In an effort to maintain a list prospective bidders for current and upcoming Weatherization Assistance Program (WAP) projects, Miami Dade County is asking ALL qualified and interested contractors to complete registration with Strategic Procurement Division. **REGISTERING WITH MIAMI-DADE COUNTY MUST BE DONE VIA MIAMI-DADE COUNTY'S AUTOMATED WEB-BASED VENDOR REGISTRATION PORTAL.** Please visit the **INTERNAL SERVICES DEPARTMENT (ISD) Vendor Services page** at <http://www.miamidade.gov/procurement/vendor-registration.asp> to access the site and for additional details. If you have any vendor registration questions please contact Vendor Assistance at (305) 375-5773.

WAP enables low-income families to reduce their energy bills by making their homes more energy efficient. Funds are used to improve the energy performance of dwellings families in need, using the most advanced technologies and testing procedures available in the housing industry. Measures to make homes more energy efficient include: replacement or installation of key components, installation of energy recovery ventilation systems including bathroom and kitchen exhaust fans and installation of whole mechanical exhaust systems to provide better indoor air quality, install attic insulation, install window solar films, repair or replace inefficient cooling units, repair or replace water heaters and address air infiltration with weather stripping, caulking thresholds, minor wall repairs, ceiling and floors, windows and doors.

All solicitations are available online and can be found at <http://www.miamidade.gov/procurement/contracts.asp>. Click on the "Current & Future Solicitations" link to access the advertising documents. For legal ads online, go to <http://legalads.miamidade.gov>

**License Requirements** - At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and Request for Price Quotation (RPQ) and Contract Documents, the Bidder and all its subcontractor must hold a valid, current, and active State and/or Miami-Dade County contractor's license consistent with the requirements of the Scope of Work.

**AVAILABLE**

**MCC 7360 PLAN – REQUEST FOR PRICE QUOTATION (RPQ)**

**1) Port of Miami – Contact Person: Frank Ramirez / Telephone No.: (305) 347-5508**

**RPQ No.: 2017-035.02A – North Cruise Boulevard Extension - Phase 2A - FPL Vaults Relocation - ESTIMATED COST: \$357,555.00**

**LICENSE REQUIREMENT: General Building Contractor, Building Contractor**

**SCOPE OF WORK:**

The Contractor shall furnish all materials, labor, services, supervision, tools, equipment, and all other items necessary for the general construction for the relocation of two (2) Florida Power & Light (FPL) vaults, located at Miami-Dade County Seaport Department. The work is comprised of, but not limited to, installation of new FPL transformer pad and equipment, including necessary pavement demolition and disposal; electrical connections from the new transformer location to existing facilities; demolition of existing buildings, slabs, foundations and utilities at each FPL vault; pavement restoration of areas after demolition of vaults; cutting and capping of existing utilities servicing vaults; and any ancillary work necessary to complete the project.

The Contractor must meet the below requirements:

- Contractor (Prime or Subcontractor) performing the Work of this Project shall have a minimum experience of at least two (2) project of similar scope and size during the past ten (10) years, where one (1) of the projects was completed within the past three (3) years.
- Contractor (Prime or Subcontractor) shall be familiar with the installation of Florida Power and Light (FPL) electrical ductbanks. Project examples of a similar scope and size may include construction of power system, pour foundations, and telecommunication systems.
- The experience must be demonstrated by the individual of the Contractor (Prime or Subcontractor) that will have direct or substantial involvement in the supervisory capacity at the Project Manager level or above. As a condition of award, the selected Contractor (Prime or Subcontractor) shall submit each individual's name, list of past projects, contact information, and references.
- Horizontal Directional Drilling (HDD) Subcontractors must have a minimum of five (5) years of experience in the installation of HDD and have completed a minimum of three (3) projects of similar scope and same size diameter or larger during the past five (5) years, where one (1) of the projects was completed within the past three (3) years. A reference must be provided for each project. In addition, a list of all the projects that the HDD Subcontractor has participated in over the past five (5) years must be provided. Project examples of a similar scope and same size may include the installation of underground electrical distribution systems with multiple conduits as long as they meet the minimum diameter requirement.

Contractor must refer to the Request for Price Quotation (RPQ) for the detail Scope of Work and additional information.

**Small Business Enterprise (SBE) Contract Measures Requirements:**

- SBE Cons Goal = 21.71%
