

*** Notice to Qualified Contractors ***

Miami-Dade County is soliciting interested contractors to register to participate and perform in a Miscellaneous Construction Contract (MCC) Bid under the MCC 7040 & 7360 Plan projects.

The current and upcoming projects are critical to the community as they are increasing the energy efficiency of low-income households while ensuring the family health and safety. In an effort to maintain a list prospective bidders for current and upcoming Weatherization Assistance Program (WAP) projects, Miami Dade County is asking ALL qualified and interested contractors to complete registration with Strategic Procurement Division. **REGISTERING WITH MIAMI-DADE COUNTY MUST BE DONE VIA MIAMI-DADE COUNTY'S AUTOMATED WEB-BASED VENDOR REGISTRATION PORTAL.** Please visit the **INTERNAL SERVICES DEPARTMENT (ISD) Vendor Services page** at <http://www.miamidade.gov/procurement/vendor-registration.asp> to access the site and for additional details. If you have any vendor registration questions please contact Vendor Assistance at (305) 375-5773.

WAP enables low-income families to reduce their energy bills by making their homes more energy efficient. Funds are used to improve the energy performance of dwellings families in need, using the most advanced technologies and testing procedures available in the housing industry. Measures to make homes more energy efficient include: replacement or installation of key components, installation of energy recovery ventilation systems including bathroom and kitchen exhaust fans and installation of whole mechanical exhaust systems to provide better indoor air quality, install attic insulation, install window solar films, repair or replace inefficient cooling units, repair or replace water heaters and address air infiltration with weather stripping, caulking thresholds, minor wall repairs, ceiling and floors, windows and doors.

All solicitations are available online and can be found at <http://www.miamidade.gov/procurement/contracts.asp>. Click on the "Current & Future Solicitations" link to access the advertising documents. For legal ads online, go to <http://legalads.miamidade.gov>

License Requirements - At the time of Bid and pursuant to the requirements of Section 10-3 of the Code of Miami-Dade County, Florida and Request for Price Quotation (RPQ) and Contract Documents, the Bidder and all its subcontractor must hold a valid, current, and active State and/or Miami-Dade County contractor's license consistent with the requirements of the Scope of Work.

AVAILABLE

MCC 7360 PLAN – REQUEST FOR PRICE QUOTATION (RPQ)

1) Port of Miami – Contact Person: Frank Ramirez / Telephone No.: (305) 347-5508

RPQ No.: 2019-001.01 – Video Wall and LAN Room Relocation - ESTIMATED COST: \$1,914,564.70

LICENSE REQUIREMENT: General Building Contractor

SCOPE OF WORK:

The Work of this Contract comprises the general construction necessary for the relocations, renovations, and upgrades of two existing locations in the PortMiami Administration Building and Cruise Terminal G at the Miami-Dade County Seaport Department.

The project consists of, but is not limited to, selective and partial demolitions of existing ceiling areas and partition walls; removal and disposal of existing HVAC ducts; furnish and install new HVAC ducts; furnish and install new doors, frames, and partitions; furnish and install new glass partitions; furnish and install new acoustical ceiling; furnish and install new carpeting and floor tiles; furnish and install new lighting; furnish and install new card readers; furnish and install new electrical connections; furnish and install new ITD conduits; furnish and install new fire alarm system; furnish and install new low voltage system; furnish and install new fiber optics conduits; furnish and install security film for existing windows; furnish and install new servers racks; related electrical improvements; repair and patch damaged gypsum (existing and/or occurring during construction); general painting; and any supportive ancillary tasks to successfully complete all phases of the project.

Contractor must meet the below requirements:

- Contractor (Prime or Subcontractor) performing the work of this Project shall have a minimum experience of at least one (1) project of similar scope and size, involving a Local Area Network (LAN) Room build-out and a Video Wall multi-monitor room build-out, completed for a local, state, or federal government agency during the past five (5) years. The experience must be demonstrated by the individual of the Contractor (Prime or Subcontractor) that will have direct or substantial involvement in the supervisory capacity at the Project Manager level or above. As a condition of award, the selected Contractor (Prime or Subcontractor) shall submit each individual's name, list of past projects, contact information, and references.

Contractor must refer to the Request for Price Quotation (RPQ) for the detail Scope of Work and additional information.

Small Business Enterprise (SBE) Contract Measures Requirements:

- SBE Cons Goal = 20.00%
- SBE Goods Goal = 2.00%
