Pursuant to Section 2-8.10 of the Code of Miami-Dade County, this Contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this Contract, or any Contract resulting from the Solicitation, and the utilization of the County Contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. The County shall retain the two percent (2%) UAP for use by the County to help defray the cost of the procurement program. Bidder participation in this invoice reduction portion of the UAP is mandatory.

B. Joint Purchase

Only those entities that have been approved by the County for participation in the County's Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive County Contract pricing and terms and conditions. This allowance shall only be made when expressly authorized by a representative of the ordering entity, and prior to shipping of goods.

The County shall have no liability to the Awarded Bidder for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the

ordering entity with the Awarded Bidder and shall be paid by the ordering entity less the two percent (2%) UAP.

C. Bidder Compliance

If an Awarded Bidder fails to comply with the aforementioned provisions, that Contractor may be considered in default by the County.

1.38. DEMONSTRATION OF EQUIPMENT MAY BE REQUIRED DURING EVALUATION

After receipt of Bids by the County, Bidders may be required to demonstrate specifically offered equipment/product to County personnel, at no additional cost. The purpose of this demonstration is to observe the equipment/product in an operational environment and to verify its capability, suitability, and adaptability in conjunction with the performance requirements stipulated in this Solicitation.

If a demonstration is required, the County will notify the Bidder in writing and specify the date, time and location of the demonstration. If the Bidder fails to perform the demonstration on the specified date stipulated in the notice, the County may elect to reject that Bidder's offer, or to reschedule the demonstration, whichever action is determined to be in the best interest of the County. The equipment shall conform to all applicable Federal (including OSHA), State, and local safety requirements. All components (whether primary or ancillary) of the delivered equipment shall be in accordance with current Society of Automotive Engineering (SAE) standards and recommended practices, as applicable. The Awarded Bidder has no liability when such claim is solely and exclusively due to the combination, operation, or use of any article supplied hereunder with equipment or data not supplied by Awarded Bidder or is based solely and exclusively upon the County's alteration of the article. The purchaser (County) will provide prompt written notification of a claim of copyright or patent infringement.

SECTION 1

GENERAL TERMS AND CONDITIONS

Further, if such a claim is made or is pending, the Awarded Bidder may, at its option and expense, procure for the purchaser (County) the right to continue use of, replace, or modify the article to render it non-infringing. 1.41. TOXIC SUBSTANCES/FEDERAL "RIGHT TO KNOW" REGULATIONS

The Federal "Right to Know" Regulation implemented by the Occupational Safety and Health Administration (OSHA) requires employers to inform their employees of any toxic substances which they may be exposed to in the workplace, and to provide training in safe handling practices and emergency procedures. It also requires notification to local fire departments of the location and characteristics of all toxic substances regularly present in the workplace.

Accordingly, the Awarded Bidder performing under the Contract shall provide two complete sets of Material Safety Data Sheets to each County Department utilizing the awarded products. This information should be provided at the time when the initial delivery is made, on a department-by-department basis.

1.43. BANKRUPTCY

The County reserves the right to terminate this Contract, if, during the term of any contract the Awarded Bidder has with the County, the Awarded Bidder becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Awarded Bidder under federal bankruptcy law or any state insolvency law.

1.44. SURVIVAL

The parties acknowledge that any of the obligations in this Contract will survive the term, termination, and cancellation hereof. Accordingly, the respective obligations of the Awarded Bidder and the County under this Contract, which by nature would continue beyond the termination, cancellation, or expiration thereof, shall survive termination, cancellation or expiration hereof.

1.62 COMPLIANCE WITH FEDERAL PROVISIONS

The following provisions apply for the purchase of goods, services, construction or repairs to be provided as a result of any award under this Solicitation, by an Awarded Bidder to Miami-Dade County, and funded, in whole or in part, by Federal assistance in the form of grant, subgrant, loan or reimbursement either directly to the County as a recipient or as a subrecipient of funding provided from the Federal government to an agency of the State of Florida or to another pass-through agency..

A. EQUAL EMPLOYMENT OPPORTUNITY (Except FAA)

- i. **Applicability.** The regulations in this part apply to all agencies of the Government administering programs involving Federal financial assistance which may include a construction contract, and to all contractors and subcontractors performing under construction contracts which are related to any such programs.

During the performance of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

(3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

C. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT (Applicability: Funding agreement)

SECTION 1

GENERAL TERMS AND CONDITIONS

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the Federal Awarding Agency.

This requirement applies to "funding agreements," but it **DOES NOT apply to the FEMA Public Assistance Program**, Hazard Mitigation Grant Program, Fire Management Assistance Grant Program, Crisis Counseling Assistance and Training Grant Program, Disaster Case Management Grant Program, and Federal Assistance to Individuals and Households – Other Needs Assistance Grant Program, as FEMA awards under these programs do not meet the definition of "funding agreement."

D. BYRD ANTI-LOBBYING CERTIFICATION AND DISCLOSURE STATEMENTS (Applicability: All contracts greater than \$100,000).

Contractors who apply or bid for, or have received an award exceeding \$100,000, shall file the attached **Exhibit B – Byrd Anti-Lobbying Certification and Disclosure Statements**. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier, up to the recipient who in turn will forward the certification(s) to Federal Awarding Agency. If applicable, Contractors must sign and submit to the non-federal entity the following certification.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements
The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and

cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Refer to Exhibit B - Byrd Anti-Lobbying Certification and Disclosure Statement

E. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148) and COPELAND "ANTI-KICKBACK" ACT (18 USC § 40 U.S.C. 3145).

The Copeland Anti-Kickback Act applies to all contracts for construction or repair work above \$2,000 in situations where the Davis-Bacon Act also applies and provides that each Contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal Awarding Agency. The Davis-Bacon Act applies to the Emergency Management Performance Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, and Transit Security Grant Program. They do not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program.

Accordingly, if applicable to this Contract,

- (1) All prime construction contracts exceeding \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction").

In accordance with the statute, and if applicable, the Contractor must pay all laborers and mechanics employed or working upon the site of the Work wages at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor, unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor pursuant to 29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) at rates not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Contractor must be required to pay wages not less than once a week. The County will attach a copy of the current prevailing wage determination issued by the Department of Labor to this solicitation.

Effective October 23, 2023, the U.S. Department of Labor implemented the Wage and Hour Division's (WHD) original methodology for determining prevailing wages, known as the "three-step process" that was in effect prior to 1983. According to said process, in the absence of a wage rate paid to a majority of workers in a particular classification, a wage rate will be considered prevailing if it is paid to at least 30% of such workers. Only if no wage rate is paid to least 30% of workers in a classification will a weighted average rate be used.

Other wage determination improvements noted in the Davis-Bacon amendments of October 2023 are noted below:

- (a) Frequently Conformed Rates – permits the Department of Labor to list on wage determinations a new category of supplemental wage and fringe benefit rates for classifications for which the Department's WHD received insufficient data through its wage survey process and for which conformance requests are regularly submitted.

SECTION 1

GENERAL TERMS AND CONDITIONS

- (b) Periodic Adjustments to Wage Determinations – permits WHD to periodically adjust certain non-collectively bargained prevailing wage and fringe benefit rates between Davis-Bacon wage surveys so that these rates do not become out-of-date and fall behind prevailing rates in the area. Such rates may be adjusted based on U.S. Bureau of Labor Statistics Employment Cost Index (ECI) data no more frequently than once every three (3) years, and no sooner than three (3) years after the date of the rate's publication.
- (c) Use of State or Local Agency Prevailing Wage Rates - allows WHD to adopt prevailing wage rates set by state or local officials, even if the state or locality's methods or criteria for determining the prevailing wage are not precisely the same as WHD's, provided that specified criteria are met.

The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a Contract or Subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- a. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of 29 CFR §5.5; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR § 5.5(a)(4).
- b. Laborers or mechanics performing Work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided*, that the employer's payroll records accurately set forth the time spent in each classification in which Work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of 29 CFR § 5.5) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its Subcontractors at the site of the Work in a prominent and accessible place where it can be easily seen by the workers.
- c. Duration of Applicability of Wage Determination to Contract or Project applies for the life of the contract, with three limited exceptions: where there is new out-of-scope construction, where there is an additional time period not previously obligated, or where the contract is an indefinite-delivery-indefinite quantity (IDIQ) or similar long-term contract.
 - i. New out-of-scope construction: The final rule codifies the Department's longstanding position that the most recent revision of any applicable wage determination(s) must be incorporate when a contract is modified to include substantial additional construction not within the scope of work of the original contract.
 - ii. Additional time period not obligated: the final rule codifies WHD's longstanding position that the most recent revision of any applicable wage determination(s) must be incorporated when a contract is changed to require the

contractor to perform work for an additional time period not originally obligated, such as when an option is exercised.

- iii. IDIQ and similar long-term contracts: The final rule requires contracting agencies to update wage determinations annually for IDIQ and similar long-term contracts that require construction work over a period of time that is not tied to the completion of any particular project.

- d. Multiple Types of Construction means when a project involves work in more than one type of construction (e.g., building, heavy, highway, residential), the contracting agency must incorporate the applicable wage determination for each type of construction involved that is anticipated to include a substantial amount of construction.
 - e. Project Wage Determinations:
 - i. Multi-County Projects – authorizes contracting agencies to request a project wage determination where the project involves work in more than one county and will employ workers who may work in more than one county.
- (2) The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. Part 3 as may be applicable, which are incorporated by reference into this Contract.
 - (3) The Contractor or Subcontractor shall insert in any subcontracts the clause above and such other clauses as the Federal Awarding Agency may by appropriate instructions require, and a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The Prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier Subcontractor with all these Contract clauses.
 - (4) A breach of the Contract clauses above may be grounds for termination of the Contract, and for debarment as a Contractor and Subcontractor as provided in 29 C.F.R. § 5.12. The debarment provisions set forth a three-year period for all debarments.
 - (5) The Copeland "Anti-Kickback Act" provides for the following standards: Recipient and subrecipient contracts must include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in whole or in part by Loans or Grants from the United States").

Compliance with the Copeland "Anti-Kickback" Act.

- a. **Contractor.** The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. Part 3 as may be applicable, which are incorporated by reference into this Contract.
- b. **Subcontracts.** The Contractor or Subcontractor shall insert in any subcontracts the clause above and such other clauses as the Federal Awarding Agency may by appropriate instructions require, and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The Prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier subcontractor with all of these Contract clauses.
- c. **Breach.** A breach of the Contract clauses above may be grounds for termination of the Contract, and for debarment as a Contractor and Subcontractor as provided in 29 C.F.R. § 5.12."

F. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT, 40 U.S.C. §§ 3702 AND 3704

- (1) **Applicability.** This requirement applies to all contracts awarded by the County in excess of \$100,000 under federal grants or cooperative agreement programs that involve the employment of mechanics or

SECTION 1

GENERAL TERMS AND CONDITIONS

laborers. It is applicable to construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

The amended Davis-Bacon Act (effective October 23, 2023) articulates circumstances under which transportation (e.g., of materials) by employees of contractors or subcontractors is covered, namely:

- i. Transportation entirely within the site of the work (i.e., from one location on the worksite to another).
 - ii. Transportation of a "significant portion" of a public work between a secondary construction site and a primary construction site.
 - iii. Transportation between an adjacent or virtually adjacent dedicated support site (e.g., project-dedicated batch plants or borrow pits located next to the worksite) and the primary or secondary worksite; and
 - iv. Onsite activities essential or incidental to offsite transportation (e.g., pickup, drop off, loading and waiting time) where such time is not de minimis. The total amount of time a driver spends on the site of the work during a typical day or workweek – not just the amount of time that each individual delivery or removal takes – is relevant to a determination of whether the driver's onsite time is de minimis.
- (2) **Overtime requirements.** No Contractor or Subcontractor contracting for any part of the Contract Work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such Work, to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (3) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in Paragraph (F)(2) of this section, the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph (F)(2) of this Section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph (F)(2) of this Section.
- (4) **Withholding for unpaid wages and liquidated damages.** Miami-Dade County shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of Work performed by the Contractor or Subcontractor under any such Contract or any other Federal contract with the same Prime Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same Prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated. Damages as provided in the clause set forth in Paragraph (F)(3) of this section.

- (5) **Contractor or Subcontractor.** The clauses set forth in Paragraphs (F)(1) through (4) of this Section shall be inserted in any subcontracts and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The Prime Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in Paragraphs (F)(1) through (4) of this Section."

Further Compliance with the Contract Work Hours and Safety Standards Act.

- (i) Contractor or Subcontractor shall maintain payrolls and basic payroll records during the course of the Work and shall preserve them for a period of three years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
- (ii) Records to be maintained under this provision shall be made available by the Contractor or Subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security (DHS), the Federal Emergency Management Agency, and the Department of Labor, and the Contractor or Subcontractor will permit such representatives to interview employees during working hours on the job.

G. THE CLEAN AIR ACT, as amended, 42 U.S.C. §§7401-7671q and the **FEDERAL WATER POLLUTION CONTROL ACT**, as amended, 33 U.S.C. §§ 1251-1387

(Applicability: Contracts exceeding \$150,000 awarded by the County under a federal grant).

- (1) Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq. and issued pursuant to the Federal Water Pollution Control Act, as amended, 33 USC §1251 et. seq.
- (2) Contractor agrees to report each violation to Miami-Dade County (County) and understands and agrees that the County will, in turn, report each violation as required to assure notification to the County, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- (3) Contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance.

H. PROCUREMENT OF RECOVERED MATERIALS

(Applicability: Contracts exceeding \$10,000).

In the performance of the Contract, Contractor shall make maximum use of products containing recovered materials that are EPA designated items unless the product cannot be acquired:

- (1) Competitively within a timeframe providing for compliance with the Contract performance schedule;
- (2) Meeting Contract performance requirements; or
- (3) At a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: <https://www.epa.gov/smm/frequent-questions-about-comprehensive-procurement-guideline-cpg-program>

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.
