

FORM I – CLARIFICATION REQUEST FORM

Clarification/ Question No.	Date Question Submitted	RFQ Section	Question	Respondent (Team Name)
1	2/22/2018	Part A, Section 5.2, p. 20	Section 5.2 Format states: "For sections that have page limitations, if a divider is used and contains information that should be considered in the review or evaluation as part of the SOQ, this divider will be counted towards the maximum number of pages. If the divider is blank or simply shows a title for the section, it will not be counted toward the maximum number of pages." Please confirm that dividers which include decorative aspects, such as graphics, photos and/or renderings, will not be included in the page count.	Meridiam-Suffolk- EllisDon
2	2/22/2018	Part B, Volume B, Section B-7, p. 38	The RFQ requires resumes for a limited number of Architectural and Engineering positions – only the Design Manager. Given that teams will include both national and local representation, that a project of this complexity and magnitude requires a depth of specialized resources and that the qualifications and experience of key individuals is equally important than that of the firms we would suggest that the following positions and resumes be included in Volume B in addition to those listed: <ul style="list-style-type: none"> • Design Principal • Project Designer • Courts Planner • Project Architect/Manager • Lead MEP Engineer • Lead Structural Engineer • Court Technology Specialist 	Meridiam-Suffolk- EllisDon
3	2/22/2018	Part B, Volume E, Section E-2, p. 44	The RFQ requires the submission of financial statements for all Major Participants on our team. We understand the importance of this for those entities whose balance sheets will support the development of the project, the Equity Members, the Lead Contractor, the Lead Maintenance Firm and any Financially Responsible Party to these entities, however we do not believe it is necessary, nor customary in North American P3 projects, for the Lead Architectural/Engineering Firms to submit this information. As such please remove the requirement for the Lead Architectural/Engineering Firms.	Meridiam-Suffolk- EllisDon
4	2/22/2018	Part B, Volume E, Section E-2, p. 44	Per Chapter 119 of the Florida Statutes, we believe it is not necessary for a privately held company to provide Financial disclosures via a public website such as BidSync. Please confirm the required submission protocol for us to submit the documents required in Volume E, Section E-2, Financial Statements under separate cover as printed hard-copy separate from the electronic submission on BidSync. Also, please confirm if submitted in this manner, Financial Statements will be excluded from public record per Chapter 119.	Meridiam-Suffolk- EllisDon

As outlined in [RFQ Part A, Section 4.5](#), all questions regarding the Project must be submitted to the County Procurement Manager by the date and time specified in [RFQ Part A, Section 4.3](#) using this Clarification Request Form. Addenda to respond to questions will be posted at BidSync.
