1	03/09/18	D-4 Financial Lead Narrative	<p>Thanks for your answer to Q25. In order to provide clarity to proposers would the County consider making the following amendments to the RFQ wording:</p> <p>We note that the concept of “Respondent Financial Lead” requires that person to have “background and experience in coordinating the financing for courthouses, High-rise Structures, or other vertical structures of comparable scope and complexity to this Project”.</p> <p>Given that the Project is intended to be structured as a DBFOM availability payment P3, we submit that the more relevant criteria is whether the Respondent Financial Lead has experience in coordinating the financing for complex, large scale P3 projects. The type of P3 financing (vertical building, horizontal transportation, social infrastructure etc.) is less critical than the fact that the finance was raised within a P3 structure, with a P3 risk allocation and lifecycle characteristics.</p> <p><i>Accordingly we request the following amendments to the RFQ:</i></p> <p>Assessment criteria: (b) Respondent Financial Lead Experience and capability of Respondent Financial Lead in coordinating the financing for comparable P3 projects.</p> <p>Narrative: D-4 Financial Lead Narrative Describe Respondent’s Financial Lead’s background and experience in coordinating the financing for P3 projects (which may include courthouses, High-rise Structures, or other vertical structures, as well as other vertical and horizontal P3 projects) of comparable scope and complexity to this Project (maximum one (1) page).</p>	Sacyr
