

FORM I – CLARIFICATION REQUEST FORM

Clarification / Question No.	Date Question Submitted	RFQ Section	Question	Respondent (Team Name)
1	04/03/18	Section 6.4.2.(a) (i) &(ii)	Section 6.4.2(a) (i) & (ii) provides the evaluation criteria for Equity Members' experience in structuring a diverse range of financing structures for P3 projects and in successfully bringing comparable projects with P3 delivery methods through construction completion. In evaluating these criteria, will the County give equal weighting to courthouses, high-rises or comparable buildings as it does to other types of US based project financings (i.e. transportation projects)? Or will Courthouses and other High Rise Buildings be more favorably weighted?	SACYR
2	04/03/18	Addendum 5 - Confidential Financial Statements	We understand that confidential financial information for RFQ-00820 should be provided on Forms H-1 and H-2. We also understand that contingent liabilities can also be included as an attachment to Form H-1. Our firm reports contingent liabilities at the parent company level as part of our form 10-k filing with the SEC, not at the operating company level. The submission of our parent company's financial statements along with the supplemental financial statements of the <i>proposing entity</i> will not constitute a parental guarantee. Will Miami Dade accept Forms H-1 and H-2 filled out at the operating company level with the submission of our Parent company's financial statements and footnotes included in form 10-K used as the attachment to Form H-1 to meet the contingent liability requirement?	AECOM
3	04/03/18	E6 – Credit Ratings	Our firm reports credit ratings at the Parent Company level only. Is that acceptable to submit to meet the requirement under section E6?	AECOM
