

MASTER ACCOUNT CREATION

1. Send Permit Section (DTPWPermits@miamidade.gov) an email with the following:
 - User and email that will be the Master Account Holder and a list of emails of users that will be submitting applications on **company's** behalf. This way the Master Account will be able to see all applications submitted for **the company**.
2. Once you send these email addresses, you will be sent the link to the new site as well as instructions on how to create your accounts with MiamiDate.gov.
