

GOVERNANCE

On January 23, 2007, the Miami-Dade County Charter was amended to create a Strong Mayor form of government, with further charter amendments approved on November 2, 2010. The Mayor is elected countywide to serve a four-year term and is limited to two terms in office. The Mayor, who is not a member of the BCC, serves as the elected head of County government. In this role, the Mayor is responsible for the management of all administrative departments and for carrying out policies adopted by the BCC. The Mayor has, within ten days of final adoption by the BCC, veto authority over most legislative, quasi-judicial, zoning and master plan or land use decisions of the BCC, including the budget or any particular component, and the right to appoint all department directors unless disapproved by a two-thirds majority of those Commissioners then in office at the next regularly scheduled BCC meeting.

The BCC is the legislative body, consisting of 13 members elected from single-member districts. Members may be elected to serve two consecutive four-year terms and elections of the membership are staggered. The full BCC chooses a Chairperson, who presides over the BCC and appoints the members of its legislative committees. The BCC has a wide array of powers to enact legislation, establish service standards and regulate businesses operating within the County. It also has the power to override the Mayor's veto with a two-thirds vote.

On November 6, 2018, the voters approved Amendment 10 to the Florida Constitution. Amendment 10 provides for five elected officials to oversee certain executive and administrative statutory functions for each county including Miami-Dade County. In November 2024, all five constitutional officers were elected to a four-year term by the electorate of Miami-Dade County. These offices do not have term limits. On January 7, 2025, the elected Sheriff, Supervisor of Elections and Tax Collector commenced performing each of their respective statutory duties independent from county government, which are summarized in their individual narratives.
