

APPENDIX U: MIAMI-DADE COUNTY'S STRATEGIC PLAN GOALS AND OBJECTIVES

Miami-Dade County organizes its strategic plan into seven strategic areas: Public Safety (PS), Transportation and Mobility (TM), Recreation and Culture (RC), Neighborhood and Infrastructure (NI), Health and Society (HS), Economic Development (ED), and General Government (GG). Each strategic area consists of goals and supporting objectives, which are listed below. In all, the strategic plan includes 20 goals expressing a desired outcome and 70 action-oriented objectives that support the goals. For ease of reference, each goal and objective is labeled with a specific code (e.g. PS2, TM3-2, and ED5-1).

The objectives play an important role in our Results-Oriented Governing approach by providing the linkage between departmental objectives shown in the departmental narratives in these volumes and the goals of the strategic plan. These narratives contain performance tables that include the strategic plan objective the department is seeking to support. This provides strategic context to the efforts of the department and ensures that County activities support achievement of strategic plan goals.
