Community Services

The Community Services Department (CSD) provides comprehensive social services that address children, family and community needs throughout Miami-Dade County. CSD performs functions and delivers services that address objectives of both the Health and Society and the Public Safety strategic areas. CSD provides a continuum of comprehensive services and programs that support residents of all ages from children to the elderly.

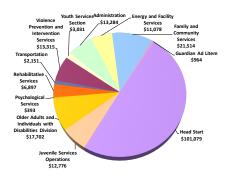

The Department's service delivery model emphasizes a coordinated community response approach involving the active engagement of public and private providers to ensure quality and accessibility of well-integrated services. The Department has 12 family and community resource centers, one kiosk at the Stephen P. Clark Government Center, and outreach programs to reach under-supported areas in Miami-Dade County. Comprehensive services include, but are not limited to, Head Start and school readiness, elderly services, veterans' services, family and child empowerment programs, migrant farmworker programs, domestic violence and violence prevention, emergency food, shelter, utility assistance, home repair and weatherizing, substance abuse rehabilitative services, housing assistance, and neighborhood safety. The Department also supports the County's portion of the Guardian Ad Litem (GAL) program, which champions for the rights and interests of children involved in dependency court proceedings.

The Department processes all juveniles arrested in Miami-Dade County at its 24 hours a day, seven days a week facility. Additionally, the Department provides evidence-based, individualized assessment, referrals and case management services to youth and their families, and uses a No Wrong Door approach to ensure families have access to vital services within their communities. Referrals are made to community-based organizations that address mental health, substance abuse, and family concerns. Furthermore, linkages to food, jobs, tutoring, and services are made to serve the child holistically.

CSD stakeholders include but are not limited to the United States Department of Health and Human Services, Department of Veterans Affairs, Department of Justice, Florida Departments of Juvenile Justice and Children and Families, Administrative Office of the Courts, the Clerk of the Court and Comptroller, the State Attorney's Office, the Public Defender's Office, Miami-Dade County Public Schools, the Sheriff's Office and law enforcement agencies, Miami-Dade Corrections and Rehabilitation, mental health and substance abuse agencies and community and faith-based organizations.
