Dear Friends and Neighbors,

Happy Holidays to everyone! As we celebrate the holiday season, we continue to strive for progress in our communities. Every choice we make is for the people who live, work, and raise families here in District 3.

In this edition of District 3 Today, you will learn about advancements we have made. We celebrated the grand opening of the Miami-Dade Chamber of Commerce Headquarters; We continuously ensured a safe and clean community through our Clean Community Initiative; We debuted the newly rehabilitated senior housing community Edison Towers; We gifted seven hardworking residents a new vehicle; and we declared September 2025 as Prostate Cancer Awareness month.

These efforts are promises kept for our community. As we continue to improve District 3, we remain focused on building a place where every resident feels supported and proud to be part of a thriving community.

Warm regards,
