Dear Friends and Neighbors,

Reflecting on the past year, we are proud of the progress we've made in our community. In 2025, we sponsored multiple housing projects, passed over 40 legislative items, and uplifted our community through numerous events. We look forward to building on this momentum in the year ahead.

In this edition of District 3 Today, you will learn about the progress we have made. We celebrated Miami MoCAAD's 10th Anniversary. We explored the cultural showcase at Art Beat Miami. We shared the holidays with our community at Xmas on 15th Avenue. We connected with our seniors at Tuscany Cove and Edison Towers. We also cheered on Miami SCORES students at their kickoff event.

These efforts are promises kept for our community. As we continue to improve District 3, we remain focused on building a place where every resident feels supported and proud to be part of a thriving community.

Warm regards,
