

PLASTIC FREE 305 | SINGLE-USE PLASTICS AUDIT

DATE: _____

BUSINESS NAME: _____

BUSINESS ADDRESS: _____

NO. EMPLOYEES: _____

HOW TO USE: Review purchase records and/or business practices and employee habits to determine if your establishment purchases and/or uses any of the below eligible single-use plastic items, including Styrofoam. Record how many of each item your business purchases and/or uses, the frequency (i.e. day/week/month) the item(s) are purchased and/or used and the cost for each amount purchased, as applicable.

TYPE OF PLASTIC PURCHASED/USED	AMOUNT PURCHASED/USED	FREQUENCY PURCHASED/USED	COST PER AMOUNT PURCHASED
Drinking bottles & caps			
Grocery Bags			
Produce Bags			
Cups			
Lids			
Straws			
Cutlery			
Stirrers			
Food Wrappers			
Ramekins/Sauce Containers			
Take-out Containers			

NEXT STEPS: After recording your single-use plastic consumption data, you can visit our [Business Resource Partner](#) to research reuse strategies and sustainable alternatives and determine potential cost-savings by eliminating single-use plastics. When you are ready with your reuse and/or sustainable replacement plan, visit www.miamidade.gov/plasticfree305 and submit your Plastic Free 305 application for review .
