

Vision coverage when you travel out of the country

Get emergency eyewear and eye care when traveling abroad

If you lose or break your glasses while traveling or need eye care, Humana vision members can get emergency services with trusted providers in 20 countries and territories:

- **Emergency glasses delivered within 24 hours*** – get adjustable, temporary eyewear for \$0
- **24/7 call support** and free translation help in 160 languages
- **Online directory of international providers** in 20 countries
- **International eye care guide** with Q&As to help you find vision care in 20 countries and territories around the world, with advice and guidelines tailored to each country
- **All part of your vision benefits** – only pay for the eye exam or eyewear materials you purchase
- **Easy online claims submission** – simply upload receipts and get reimbursed 100% of remaining eligible out-of-network benefits

When traveling, keep this number handy:

+1.513.765.2870

to order emergency glasses, find a provider, or request translation.

Tip for calling the US from another country: Dial the plus sign +, then 1, then area code, and the number.

Access international support through MyHumana

Once your vision plan coverage begins, you can access your international vision benefits after you activate your [MyHumana.com](https://www.mychumana.com) account.

Simply sign in to MyHumana and look for the “International” tab on your vision benefits home page.

* Glasses are delivered to most locations within 24 hours, however, some areas of the world may take longer.
