

PARK RULES

Informed by recommendations from health experts, Miami-Dade County is moving to a new normal and easing restrictions on select parks and trails for passive activities and limited recreation.

Patrons are encouraged to use parks for individual and family passive and limited activities.

Current CDC and State Health Department guidelines regarding the use of masks, 6 feet of social distancing between individuals and limit of groups to 10 people or fewer, must be followed.

Miami-Dade County Parks, Recreation and Open Spaces have
