Good morning, Vivian,

To continue with preparation for the operating budget for the new city of North Central, the MAC committee members have begun researching the different municipal services that will be provided by the newly incorporated city. To accurately reflect the revenue and expenditures, we need the following information from the County office of OMB.

1. A list of occupational licenses and fees collected by UMSA for the area. This list should include the name of each business, address, type of business and fee (s) paid. **(Tax Collector)**
2. Total number of building permits issues for the area in one year and amount of permit revenues collected in one year. **(RER)**
3. Number of new construction permits issued for the area and the amount of park, police, and transportation impact fees collected in one year. **(RER, PROS, DPTW, MDSO)**
4. Number of certificates of occupancy issued in one year and all revenue collected. **(RER)**
5. All planning and zoning fees collected. **(RER)**
6. Number of building inspections completed during a one-year period. **(RER)**
7. A full list of all grants that have been awarded that affect the area and would be turned over to the city during the transition phase, i.e. SNP grants, FRDAP grants, COP grants, DCA grants, law enforcement block grants, CDBG, etc. **(All Departments) (N/A for DSW)**
8. A list of all bus stops and locations with bus benches and the revenue collected for bus bench advertisement fees. **(DPTW)**

9. A list of hot spots and corridors that are serviced by the solid waste department for litter activities. **(DSW)**

LOCATION/AREA	COMM. DIST.
3300 NW 98 ST	2

2395 NW 68 ST (SIDE)	2
2601 NW 68 ST (REAR)	2

10. Listing of all illegal dumping sites and the number of cubic yards collected for illegal dumping. **(DSW)**
    - A total of 19,647 cubic yards were collected from illegal dumping sites (refer to the addresses provided above for details)

11. Revenues generated from illegal dumping code enforcement activities by the solid waste department. **(DSW)**

	FY 24/25	FYTD
Code Enforcement Revenue	$76,250	$33,100
Non-Compliance	$28,864	$
Immediate Removal – Pending Payment	$37,568	$

12. Total revenues generated from code enforcement activity. **(RER)**
13. List of special taxing districts and all revenue collected. **(RER, PROS)**
14. Portion of county occupational license fees (not UMSA occupational license) that would be remitted to the new city. **(Tax Collector)**
15. Revenues generated and broken down by the park from user fees. **(PROS)**
16. The number of traffic citations issued in the boundaries and revenues generated from judgement and court issued fines that would revert to the city. **(MDSO)**
17. Storm water utility fee revenues. **(DTPW)**
18. Solid waste franchise fees charged and collected from the commercial haulers servicing the businesses. **(SWD)**
    - The Disposal Facility Fee (DFF) for private haulers equals 15% of their monthly gross receipts, less 2.5% for administrative costs.
    - We are unable to determine the amount of DFF collected from commercial haulers operating in the North Central area (unincorporated Miami-Dade).
    - It will require some time to identify the permitted private haulers serving the businesses in this area.

19. Provide both CRA contracts to include the expiration dates for each CRA (7th avenue & 79th Street). **(OMB)**

20. History of revenue for gas tax refund.
21. Canal maintenance revenue. **(DPTW)**

Please feel free to contact us should you need further clarification on the requested information. Your prompt attention and response would be greatly appreciated.

Warm regards,

Trameka Rios

Vice-chair, NCMAC
