Department of Solid Waste Management
Code Enforcement Division

IMPORTANT NOTICE – WASTE PERMIT LATE FEES

Effective October 1st, 2024

Please be advised, Department of Solid Waste Management permit holders will now be charged a late fee for renewals submitted after expiration date. Businesses and/or individuals that have expired permits for **General Hauler, Small Hauler or Waste Tire Generator and/or Hauler** will be required to pay the permit fees plus late fees to become in compliance.

Per Chapter 15-17 of the Miami-Dade County Code of Ordinances, all permits are required to be renewed annually prior to the expiration date assigned to the permit. Late fees will be applied as follows:

Waste Permit Fees	Service Description	Fee
Delinquent Penalty (Late Renewal)	Per month late fee for past due accounts up to 1 year	10% - 1st month plus, additional 5% each month thereafter
Doing Business Without Permit	Operating Fee for permit accounts delinquent for more than 1 year	$100 per year, plus any per month late fees as described above.

Renewal applications are mailed out by the Department 2-3 months prior to expiration and are also available on our website: www.MiamiDade.gov/SolidWaste.
