

UNDERLINE PHASE 3 ADVISORY #13

Project # No. CIP178-DTPW20-DB

Segment 06

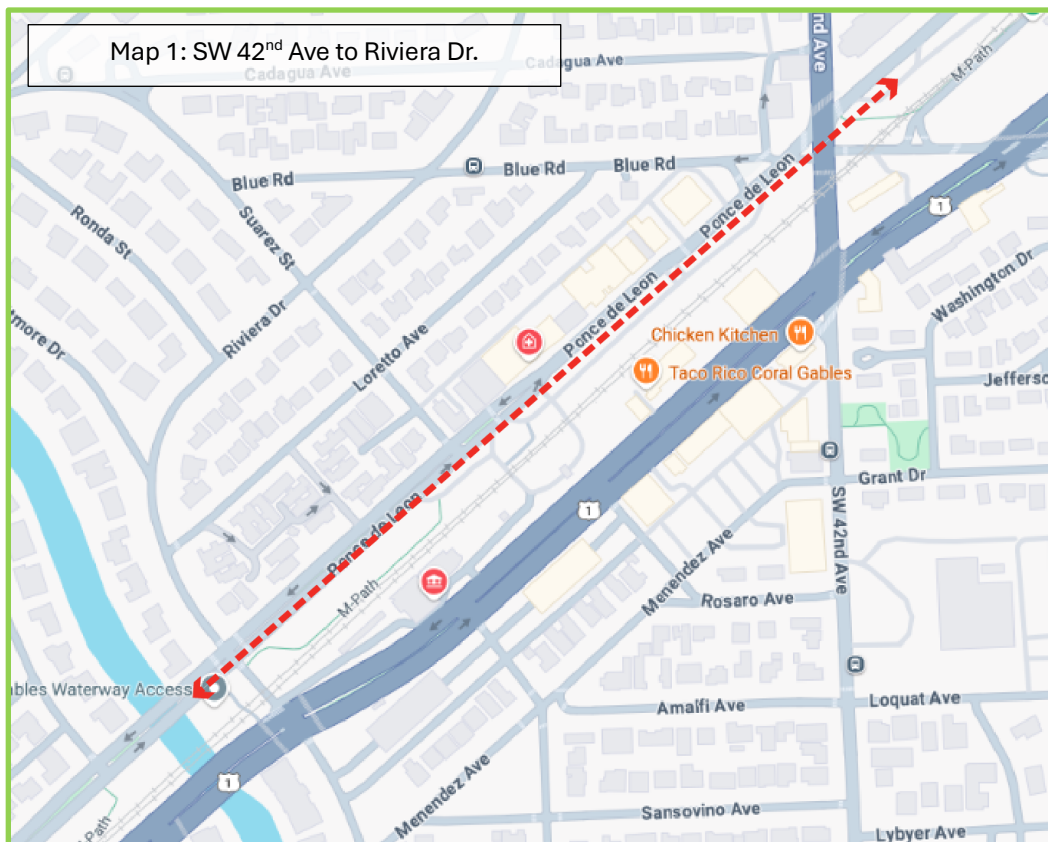

LANE CLOSURE & DETOUR INFORMATION

Segment 6 of the M-Path will be closed for construction beginning June 10th 2025 through Summer of 2026 for the installation of all proposed improvements, including bicycle and pedestrian trails, plantings, lighting, furnishings and amenities.

To do this work safely, it will be necessary to perform M-Path closures and detour pedestrian and bicycle traffic from the current M-Path into the City's local streets. All efforts are being made to minimize the impact from the construction activities to area residents, pedestrians, bicyclists, Metrorail and Metrobus patrons, businesses, and motorists. See below.

M-Path Detour:

- Location: Between SW 42nd Avenue and Granada Boulevard
- Detour Route: Traffic is detoured off the M-Path and rerouted along Ponce de Leon which runs parallel along this entire segment
- See Maps 1 and 2 below
