I. Welcome/Introductions:

- i. Chairman Juan Crespi called the Architecture and Engineering (A&E) Advisory Board meeting to order at 10:41 AM. Advisory Board members, SBD staff, and online participants introduced themselves.

II. SBD Section Reports

a. SBE-A&E Certification Report – Jeanise Cummings-Labossiere (SBD Section Chief)

Jeanise Cummings-Labossiere (SBD Section Chief) presented the report for Certification. There were no questions regarding the report.

b. SBE-A&E Utilization Report– Rossi Siewnarine SBD (SBD Section Chief)

Rossi Siewnarine was not present, and the report was not available. Marielena Bello (SBD) reiterated that in April, Miami-Dade County implemented their Enterprise Resource Planning (ERP) Solution to transform the County's business processes. It was given the system name of "INFORMS" which stands for Integrated Financial Resources Management System. As a result of the implementation, SBD has recognized that certain data is not carrying over to Business Management Workforce System (BMWS). Staff is in the process of working with the necessary departments and organizations to resolve this issue and hope to have the issue resolved by the end of October.

c. SBE-A&E Business Outreach and Education Report – Lawanda Wright-Robinson (SBD Section Chief)

Lawanda Wright-Robinson was not present to present the report for the period of July 1, 2021, to August 31, 2021. Chairman Crespi stated that although the number of payment issues was 0, he mentioned that he is sure that there are many firms that are not bringing up their issues. He advised that firms staying silent does not solve problems.

III. Old Business

a. Approval of July 28, 2021 Meeting Minutes

- Ms. Swain provided a correction to the July 28, 2021, minutes. “Ms. Swain advised that there have not been any changes “should be changed to “She advised that she would send the most recent version of Implementing Order 3-39”.

Brett Moss motioned to approve the minutes with the correction, Renee Webley seconded the motion (Approved 5-0).

IV. New Business

a. A&E Taskforce Update

Pablo Valin (ISD) stated that the Assistant County Attorney has a final draft of the Implementing Order which has been shared with Rick Crooks (A&E Taskforce Chairman). Once the document is finalized there must be a sponsor so that the document could be sent to the c BCC for first reading. Chairman Crespi inquired about the timeline to first Commission reading. Mr. Valin is not certain of the timeline. Chairman Crespi requested Mr. Valin to advise the Advisory board of a date once it is known. Chairman Crespi also stated that he would like the timeline sent to all 239 certified SBE's. Mr. Valin will work with Ms. Laurie Johnson (SBD Section Chief) to fulfill the request.

Mr. Crooks thanked Internal Services Department (ISD), County Attorney's Office (CAO) and Small Business Development (SBD) for all their hard work. He stated that if there is no sponsor then there are a few Commissioners that he has spoken to that are willing to sponsor the item. Chairman Crespi inquired if Mr. Crooks had any comments on the draft that was presented, Mr. Crooks advised that he did make minor comments. Mr. Crooks advised that one comment was directed to ISD regarding limiting the number of teams a sub-contractor can be on. Mr. Valin stated that he needs to have a conversation with Namita Uppal (Strategic Procurement) regarding this. Gary T. Hartfield (SBD Director) agreed with Mr. Crooks. Mr. Hartfield stated that the only issue he has is, excluding the SBE A&E firms who are certified in Miami-Dade County from the Equitable Distribution Program. Ms. Swain advised that the board supports making the Equitable Distribution Program locally headquartered. She proposed a locally headquartered SBE program as well. Mr. Hartfield stated that this change would have to go through all Advisory boards and go through the process to eventually go to the Board of County Commissioners (BCC). He would like Ms. Johnson to run a report through Equitable Distribution Program to identify reciprocates of EDP projects as primes and subs. He would like to know where they are locally headquartered at. Additionally, he would like Ms. Cummings-Labossiere to run a Certification report for every SBE A&E Vendor to see where they are locally headquartered at. The reports will give a clear understanding as to if making the program locally headquartered would be beneficial or not. He also advised that there are other avenues to make locally headquartered more preferable, such as preference points. Chairman Crespi stated that this is not working for small businesses. He stated that small businesses are not doing good in Miami-Dade and there is not enough work. Other counties are

protecting their local businesses and Miami- Dade is not. Mr. Crooks recommended to move forward with the recommendations although their positions may differ from SBD's. Mr. Hartfield added that there has not been a compromise with the two positions. Mr. Crooks stated that the compromise was to work with Broward County to establish reciprocity. Allow Miami-Dade County firms to have the same standard in Broward County and Palm Beach County and our County will be opened the same. However, these counties have not done so thus far so neither should Miami-Dade County. Mr. Hartfield stated that he will ask every advisory board if they would like to be locally headquartered only and will return with the results.
