## Memorandum

Substitute

Date: February 1, 2005

To: Honorable Chairman Joe A. Martinez and Members, Board of County Commissioners

George M. Burgess From: **County Manager**

#### RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached ordinance establishing the Small Business Enterprise (SBE) Program for the acquisition of goods and services.

#### BACKGROUND

On August 20<sup>th</sup>, 2004, Federal District Court Judge Adalberto Jordan issued a ruling in the case of <u>Hershel Gill Consulting Engineers, Inc. et al, v.s. Metropolitan Dade County</u>. This is the second federal court decision finding that the County's B/H/WBE programs do not meet the rigorous prerequisites required for the application of race-, ethnicity- or gender-conscious measures to county contracting. The County Attorney advised the effect of these two federal court decisions is that the B/H/WBE programs can no longer be applied to the bid and award of any County contract.

County staff, including the Department of Business Development (DBD) and the Department of Procurement Management have met with representatives from the affected market areas and with members of the Minority and Women-Owned Business Advisory Board to discuss the establishment of a County race and gender neutral small business program for goods and services. As proposed, the Small Business Enterprise (SBE) Program incorporates two sectors of the local market place: a) very small businesses, defined as Micro Enterprises whose three year average gross revenues do not exceed \$2,000,000, manufacturers with 50 employees or less or wholesalers with 15 employees or less and b) small businesses, defined as SBEs whose three year average gross revenues do not exceed \$5,000,000, manufacturers with 100 employees or less or wholesalers with 50 employees or less.

Under the SBE program, certified Micro Enterprises will receive an automatic 10% bid preference on contracts of \$50,000 and under. County departments will be required to solicit bids or quotes from at least four firms where available (2 available certified Micro Enterprises and 2 non-certified firms) for contracts of \$50,000 and under. County departments are also required to expend at least 5% of the total value of contracts \$50,000 and under with Micro Enterprises. On contracts that exceed

Honorable Chairperson Joe A. Martinez and Members, Board of County Commissioners Page 2

\$50,000, certified SBEs will be afforded opportunities to participate through the application of setasides and subcontractor goals. The proposed ordinance will also create the Small Business Advisory Board which shall be responsible for reviewing program activities and making recommendations to DBD and the Board on matters pertaining to the program.

DBD will be responsible for monitoring the compliance and utilization of contracts with SBE measures in addition to providing management and technical assistance, financial assistance and community outreach to firms interested in participating in the program once adopted by the Board.

In order to demonstrate utilization, DBD will provide an annual report to the Board that will illustrate the County-wide participation levels of Micro Enterprises and SBEs.

In sum, small businesses account for the vast majority of economic activity in Miami-Dade County, the SBE Program will help provide opportunities to small businesses, including entrepreneurial development opportunities for certified Micro Enterprises and SBEs.
