

SBD - CM Review Form

To:	Project Review and Analysis - A&E	Contact:	Milton Collins
From:	SBD CM - Eddy V. Etienne Jr.	Resubmittal:	No
Department:	Miami Dade County Aviation Department		
Date:	10/31/2018		

PROJECT NUMBER:	E18-MDAD-03
PROJECT TITLE:	Stormwater Master Plan
PROJECT LOCATION:	Miami-Dade Aviation Department (MDAD) Facilities

SCOPE OF WORK/DESCRIPTION: The project will consist of the update and maintenance of the drainage master plans for Miami-Dade Aviation Department (MDAD) Facilities. The scope of services associated to this task shall include: collecting and reviewing as-built data, field verifying as-built conditions, updating the utility atlas, updating the existing modeling scenario, re-establish the future modeling scenarios, update the master plan document, review and update the MDAD design guideline, review and update the technical specifications and assist the Department with environmental and permitting issues. The teaming restrictions will be the following: Consultants electing to submit as a prime will be limited to participation on a single team and may not participate on any other team as a sub-consultant. Consultants electing to submit as a sub-consultant may only participate on three (3) teams.

SPECIAL REQUIREMENTS: The prime consultant is preferred to have experience in developing and maintaining Stormwater Master Plans and associated computer modeling (SWMM and XPSWMM) for large commercial airports and municipal stormwater management systems of equal size and complexity.

CATEGORIES	PERCENTAGE	COMMENTS
