Internal Services Department
Small Business Development

Through: Andre Ragin, Aviation Small Business Strategic Advisor
Minority Affairs

From: Sylvia Novela, Strategic Procurement Director
Miami-Dade Aviation Department
Contracts Administration Division

Subject: MIA Runway 9-27 Rehabilitation
ISD Project No. E21-MDAD-02

It is requested that the referenced project be reviewed for contract measures in order to proceed with the advertisement and subsequent consultant selection.

Project: MIA Runway 9-27 Rehabilitation

ISD Project No.: E21-MDAD-02

Project

Description:

The project will rehabilitate the pavement of Runway 9-27 at Miami International Airport (MIA). The scope of work includes, but is not limited to, milling and overlaying with asphaltic surface pavement, upgrade of the runway edge lighting and centerline lighting duct bank, circuits, transformers and fixtures, pavement grooving and restoration, of existing pavement markings. Maintenance of Traffic (MOT) and phasing will be critical components of the project to provide for the safe and efficient execution of the construction while minimizing impacts to existing operations.

Term of the Agreement:

Six (6) years

Contract Estimated Amount:

\$4,956,360

Funding Source:

Airport Revenue Bonds
Federal (FAA) Funds
