Subject: SBE-CONST Goal for E14-RER-01, Project #012-D14/03-NOVA, Monitoring Well Installation and Sampling at the Modello Park site, located at 28450 SW 152 AVE, on behalf of the Parks, Recreation and Open Spaces Department

SENT VIA EMAIL

This is a request for Review Committee (RC) approval of the proposed Small Business Enterprise Construction (SBE-CONST) goal in order to proceed with monitoring well installation (drilling), and sampling under the E14-RER-01 Professional Services Agreement for Project #012-D14/03-NOVA, Monitoring Well Installation and Sampling at the Modello Park site, located at 28450 SW 152 AVE, on behalf of the Parks, Recreation and Open Spaces Department.

The subject project consists of the installation (drilling) and sampling of three monitoring wells including a report. This contract, a work order originating from the E14-RER-01 Professional Services Agreement, has been assigned to Nova Consulting, Inc. who will subcontract the drilling work.

The Department of Regulatory and Economic Resources, Division of Environmental Resources Management (DERM), RER staff has evaluated the project and recommends a 0.0% SBE subcontractor goal for this project (please see attached Analysis for SBE-CONST Goal Recommendation). At this time, DERM is not aware of any SBE certified monitoring well installation/drilling companies on the SBE list. Therefore, DERM requests an exemption from the requirement to utilize SBE subcontractors for this project. Please advise DERM in the event of availability of SBE drilling companies.

Thank you for your attention to this matter. If additional information is required, please call Victor Mendez, the project manager, or me at (305) 372-6700.
