Division of Environmental Resources Management (DERM), RER

Subject: SBE-CONST Goal for E14-RER-03, Project #030-D14/03-APTIM, Supplemental Soil Assessment at the South Dade Community Park, located in the vicinity of 16350 SW 280 St., on behalf of the Department of Parks, Recreation and Open Spaces

SENT VIA EMAIL

This is a request for Review Committee (RC) approval of the proposed Small Business Enterprise Construction (SBE-CONST) goal in order to proceed with soil boring advancement (drilling), and sampling under the E14-RER-03 Professional Services Agreement for Project #030-D14/03-APTIM, Supplemental Soil Assessment at the South Dade Community Park, located in the vicinity of 16350 SW 280 Street, on behalf of the Department of Parks, Recreation and Open Spaces.

The subject project consists of the advancement (drilling) and sampling of twenty nine soil borings, and reporting. This contract, a work order originating from the E14-RER-03 Professional Services Agreement, has been assigned to APTIM Environmental & Infrastructure, LLC, who will subcontract the drilling work.

The Department of Regulatory and Economic Resources, Division of Environmental Resources Management (DERM), RER staff has evaluated the project and recommends a 0.0% SBE subcontractor goal for this project (please see attached Analysis for SBE-CONST Goal Recommendation). At this time, DERM is not aware of any SBE certified monitoring well installation/drilling companies on the SBE list. Therefore, DERM requests an exemption from the requirement to utilize SBE subcontractors for this project. Please advise DERM in the event of availability of SBE drilling companies.

Thank you for your attention to this matter. If additional information is required, please call Gregory Sitomer, the project manager, or me at (305) 372-6700.
