

Date: February 26th, 2019

Memorandum

To: Gary Hartfield, Director
Small Business Development Division

From: Justin Espagnol Contracts Administrator
Parks, Recreation and Open Spaces Department

Subject: Tamiami Park – Superhero Autism Sensory Garden: 400701-19-001

This Memo is to replace 4007011-19-001.

This is for the special dedication to Autism Awareness dedicated by the Mayor, for the grand opening to the new Superhero Autism Sensory Garden at Tamiami Park on April 5th, 2019.

We respectfully request that you review the attached recommendation for CSBE and SBE Construction goals.

The Tamiami Park – Superhero Autism Sensory Garden project scope includes but is not limited to the new construction and installation of playground equipment, park furniture, and landscaping. Installation of Owner supplied Playground and Park Equipment by a CPSI certified installer.

The new construction of a superhero garden includes special sensory interactive play elements, landscaping and terraforming. Other elements include a new 5ft. high fenced enclosure, signage, and engineered wood fiber (EWF) surfacing for safety fall zones as indicated on plans.

Estimated Cost: \$69,047.00

Miami-Dade County Parks, Recreation and Open Spaces Department (PROS) is requesting that the General Contractor be in business at least five (5) years, having completed at least two (2) projects similar in size and scope to the subject project, with a Certified Playground Safety Inspector (CPSI) Certification held by Owner, principal or direct employee of the company actively engaged in the scope of work.

Due to the specialized nature in the scope of the work involved, PROS respectfully requests that SBD consider a 10.35% SBE Construction Goal for Fencing services of the project. PROS believes the fencing can be performed by a SBE Construction single trade firm without the required experience. The rest of the work will require the experience detailed above.

Thank you in advance for your cooperation.
