## DEPARTMENTAL INPUT CONTRACT/PROJECT MEASURE ANALYSIS AND RECOMMENDATION

Project Title: Park Plaza West Basement Replace CHW Piping Insulation

Contract/Project No. RFO-15-13417-SW

DESCRIPTION: To replace the Chilled Water Supply/Return piping insulation in the Park Plaza West Basement corridors. This project consists of ripping away and the disposal of the current insulation which is approximately 620 linear feet of 8" piping. Awarded contractor will need to supply and install new insulation of approximately 620 linear feet (8" piping). Insulation must be Foam Glass with Vapor barrier. In addition, the awarded contractor will need to replace hangers to accommodate the new insulation. Minimum requirements shall be the possession of a State Certified Class A Air Conditioning Contractor License (CA license). The contractor shall provide a copy of the required license with their bid submittal. The contractor may also be required to submit proof of having previously performed a project of similar nature, size, and scope.
