Department of Solid Waste Management (DSWM)

Subject: Recommendation for 7360 Miscellaneous Construction Contract Services for RPQ No. 17032-20, Department of Solid Waste Management's (DSWM) South Dade Landfill Gas System

The Department of Solid Waste Management (DSWM) respectfully requests that the Division of Small Business Development (SBD) re-evaluate RPQ No. 17032-20 – Solid Waste Management's (DSWM) South Dade Landfill Gas System, to assign a Small Business Enterprise-Construction (SBE-CON) measure and proceed with the advertisement and subsequent bidding of the solicitation under the 7360 Miscellaneous Construction Contract.

Scope of Work:

Furnish all labor, materials, equipment, tools, transportation, services, incidentals, and performing all work necessary to complete the project, in place and ready for service in accordance with the plans and specifications prepared for Miami-Dade County Department of Solid Waste Management's South Dade Landfill Gas System. The project's scope is specialized work that includes the installation of gas wells and flare laterals, and associated piping.

In addition, the Contractor must meet the below requirements:

Contractor is required to have experience in three (3) gas collection and control systems projects.

The construction cost estimate for this project is \$2,166,018.25 which excludes 10% contingency.

The SBD recordation is a No Measure SBE-Con measure, and a 1.73% SBE-Service Sub-Contractor Goal in Surveying Services. Community Workforce Program goal is not applicable because the project does falls within a Designated Target area.

Attached is the cost breakdown inclusive of construction services and cost of materials for reference purposes.
