Department:	Miami Dade Water & Sewer Department		
Date:	3/29/2021		

PROJECT NUMBER:	S-955
PROJECT TITLE:	Two-Year County Contract for Removal and Replacement of Sanitary Sewer Gravity Mains, With County Option to Renew for an Additional Two Years on a Yearly Basis
PROJECT LOCATION:	Various Locations

SCOPE OF WORK/DESCRIPTION: The project consists of furnishing all labor, materials and equipment necessary the removal and replacement of approximately 34,000 linear feet of existing 6-inch through 24-inch diameter gravity sewer mains and laterals on a full reach or point repair basis under different work orders at various locations anywhere within the limits of Miami-Dade County, Florida, as ordered by WASD during a two year period. This is a non-exclusive contract, and as such, WASD may issue similar contracts for this type of work, and therefore does not guarantee that the full amount of the Contract will be issued to the Contractor. The actual amount of Work Orders assigned will be the prerogative of WASD in its discretion and dependent only upon its needs.

SPECIAL REQUIREMENTS: This is a blanket type contract and will be work order generated. Bidder shall have a minimum of three (3) years experience performing pipeline installations and capable of furnishing up to three (3) independent work crews. In the event a new firm is established by executives, supervisors and other senior field staff (key employees) that would have met these minimum experience requirements with a prior firm, the Miami- Dade Water and Sewer Department (WASD) reserves the right to qualify the new firm based on WASD’s sole determination and evaluation of the knowledge and prior experience of these key employees employed by the new firm.

LICENSES: The types of licenses required are: General Engineering, General Contractor and/or other categories as applicable by Chapter 489 of the Florida Statutes or Chapter 10 of Miami-Dade County Code.
