Reason for Recommendation		
<p>SBD reviewed this project pursuant to Implementing Order 3-41 for SBE-Good(s) and Service(s) measures. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors included the Verification of Availability process, which included follow-up phone calls were made to determine availability and assignment of the noted measure. Three (3) SBE firms certified in the commodity code below were contacted through the Verification of Availability process, however only one (1) responded as being able to provide the requested good(s) and/or service(s). A No Measure is applicable to this solicitation. Competition will be waived due to WASD declaring an emergency and informed the State of an "extraordinary circumstance" due to the inability to comply with Chapter 556, FS provisions (locate and mark within two full business days). WASD has elected to utilize USIC, a national locator company with the necessary resources needed to assist WASD.</p> <p>Miami-Dade County Living Wage is not applicable. The goods and/or services under this solicitation do not fall under the covered services listed in article (F) of Sec. 2-8.9 of the Code, Living Wage Ordinance.</p> <p>The work description code assigned based on the scope is: NIGP 96291 Utility Locator Service, Underground</p>
