► **Justification and Comments:** Miami-Dade Corrections & Rehabilitation Department (MDCR) is requesting an emergency 4 month contract be issued to Toshiba Business Solutions, Inc for the continuation of the leases currently in place on a month-to-month basis for 32 copiers in use throughout the department. These leases were entered into at different times throughout the last four years using County contract BW7123-3/07. Contract BW7123-3/07 has now run out of funds to allocate to Departments to continue with lease payments and ISD has advised that no additional funds can be added to the contract. The County has recently awarded a new all inclusive Multi-Functional Device Contract (9301-0/20) which was approved by BCC on 02.07.12. MDCR will replace all existing copiers with new leases. Until this is completed we must continue to pay the monthly lease payments in order to avoid having the equipment picked up by the vendor. This emergency request is to cover an estimated 4 months starting February 1, 2012. Four months is an estimate of the time required to send out solicitations, award the copiers, and start the replacements.

**Background/Need to Know:** Equipments have been pending the approval of new replacement contract to start the lease replacement process.

**Potential Issues:** MDCR Daily operation will be jeopardize is equipments are removed without a replacement. Equipment provide copy, scan, fax, and print to the units they serve.
