Vendor requirements & Financial Terms

- Must be an authorized manufacturer VAR (Value Added Reseller) of the products sold to us with credit limits that are adequate to service the order without pre-payment requirements.
- Must assign a dedicated account representative to our account who is available during normal business hours, is familiar with the products they offer, and must turn around quotes within one hour.
- Must provide Support/Software Patches and/or updates included and available 24x7x365 (TIER 1 – Incident reporting, Tier 2 – Problem Management, Tier 3 Engineering support).
- Vendor must stock all inventory/replacement parts that comprise functional deliverables within the USA, with ability to deliver such replacement parts within 24 hours of notice.
- Vendor must provide a minimum of 1 year warranty on hardware and software replacement and provide evidence to demonstrate its ability to provide manufacturer's authorized warranty services for the entire term.
