PROJECT DESCRIPTION: End-of-Life replacement of existing Strands SL lights with Philips Strand Lighting Selecon SPX LED profile fixtures

APPROXIMATE PROJECT COST: [REDACTED]

SCOPE OF WORK:

- Removal of approximately one-hundred and thirty (130) existing Strand SL lights.
- Vendor must furnish following Bill of Materials:
 - (130) Philips Strand Lighting Selecon SPX LED Profile lamps
- Installation of Philips Strand Lighting Selecon SPX LED profile spotlight engine with tube adaptor and mix cables.
- Equipment solution must include installation of lens tubes, C-clamps, power connectors, and programming for direct DMX wire controllability.
- All light fixtures shall be attached to the existing structure, existing catwalk, and existing supports.
- Furnish and install required control wiring.
- Perform final aiming and system commissioning to confirm compliance with Arena Lighting Guidelines.
- Vendor will be responsible for all site preparation (i.e., safety precautions, site cleaning, materials organization and staging, etc.).
- Vendor will be responsible for coordination of delivery of materials.

TIMELINE:

- Removal of existing fixtures, installation of new fixtures, and programming must be completed no later than November 30, 2018.
- Vendor must submit a schedule of anticipated work days to Director of Operations for approval and must account for events as follows:
 - Event Days – crews allowed onsite from 7am – 3pm when the event occurs in the evening;
 - Crews will not be allowed onsite when an event occurs in the morning and/or afternoon (e.g., [REDACTED] matinees and school shows); and
 - Non-Event Days – crews allowed onsite for extended hours as needed.

WARRANTY:

- Vendor must be able to provide a 5-year warranty on all parts and labor.

RESTRICTIONS AND QUALIFICATIONS:

- Vendor must be a Value Added Reseller of the items specified in the Bill of Materials.
- Vendor must have demonstrated experience with a minimum of three (3) similar LED lighting solution projects in similar sized [REDACTED] facilities within the last five (5) years.
- Reference list of projects shall include a contact name and phone number for owner's representative.

INSURANCE:

- Vendor shall purchase and maintain during the entire project and for two years after project completion insurance with the minimum limits and coverage shown below from insurance companies acceptable to [REDACTED] Properties, Ltd. [REDACTED] has the right to reject unacceptable insurance carriers.

STANDARD INSURANCE REQUIREMENTS	
Coverage Type	Limits
General Liability	[REDACTED] Per Occurrence; [REDACTED] General Aggregate; [REDACTED] Completed Operations Aggregate
Auto Liability (All Hired Non-Owned)	[REDACTED] for all jobs
Worker's Compensation	Statutory Limits; [REDACTED] Employers Liability

- Vendor shall carry standard ISO General Liability coverage, written on an occurrence basis including Completed Operations. Coverages on an occurrence basis shall be maintained without interruption from date of commencement of the Vendor's Work until date of final payment or date coverage is required to be maintained after final payment to the Vendor, whichever is later. The coverage must be endorsed to name [REDACTED] Properties, Ltd., Miami-Dade County, and City of Miami as additional insureds on a primary and non-contributory basis.
