Subject: New Inquiry - Furniture for East Plaza

Hi Laurie:

Attached you will find a list of furniture that we have chosen for one of our outdoor spaces, the East Plaza. This will be a one-time purchase. I have included a reference sheet for the furniture pieces that includes pictures for easy reference. These can be correlated with the item numbers in the RFI form.

Please note that the number reflected in the "ETD" column are days so the 56 days is representative of 8 weeks. This timeline is critical as we need to ensure the pieces are onsite in time for the beginning of the basketball season in early October.

Could you help us identify any SBD firms that might be able to source these items?

Please let me know if you need additional information.

Thanks!

Jackie
