Description of Project/Bid: A solicitation to perform an assessment of services provided to these vulnerable populations and establish recommendations. Miami-Dade County is home to a large, vibrant, and diverse LGBTQ community estimated at well over 10% of our residents. The County may have 2.7 million people, who are LGBTQ (as just one data point, 14.8% of Miami-Dade students identified as LGBTQ on the most recent Youth Risk Behavior Survey YRBS conducted by the CDC). Unfortunately, LGBTQ residents continue to face much higher risks and deep disparities on a wide range of social indicators.
