Project Worksheet

Project/Contract Title: Toxicology Support Services Received Date: 5/6/2021
 Project/Contract No: BW9730 Funding Source:
 Department: Regulatory and Economic Resources
 Estimated Cost of Project/Bid: \$100,000.00

Description of Project/Bid: The Department requires the continued toxicology services to develop and manage the cleanup target levels provided in Section 24-44 of the Miami-Dade Code and to conduct and review risk assessment reports submitted in support of development of alternate cleanup target levels for the remediation of contaminated sites and for the evaluation of potential human and environmental risk of products proposed to be utilized in commercial and industrial settings and which has the potential for discharging to the environment especially in situations where these products are proposed to be utilized or stored at facilities located with the cones of influence of Miami-Dade County's Wellfield Protection Areas.

Contract Measures		
Measure	Program	Goal Percent
No Measure	SBE/GS	
Reasons for Recommendation		
An analysis of the factors contained in Implementing Order 3-41, as well as, an analysis of the project package indicates a No Measure is appropriate for this project as this is a Bid Waiver awarded to the University of Florida Center of Environmental & Human Toxicology- Dr. Steve Roberts.
