1.5 Cone of Silence

Pursuant to Section 2-11.1(t) of the Code of Miami-Dade County, as amended, a "Cone of Silence" is imposed upon each RFP or RFQ after advertisement and terminates at the time a written recommendation is issued. 1.8 Lobbyist Contingency Fees

- a) In accordance with Section 2-11.1(s) of the Code of Miami-Dade County, after May, 16, 2003, no person may, in whole or in part, pay, give or agree to pay or give a contingency fee to another person. No person may, in whole or in part, receive or agree to receive a contingency fee.
- b) A contingency fee is a fee, bonus, commission or non-monetary benefit as compensation which is dependent on or in any way contingent upon the passage, defeat, or modification of: 1) any ordinance, resolution, action or decision of the County Commission; 2) any action, decision or recommendation of the County Mayor or any County board or committee; or 3) any action, decision or recommendation of any County personnel during the time period of the entire decision-making process regarding such action, decision or recommendation which foreseeably will be heard or reviewed by the County Commission or a County board or committee.

1.9 Collusion

In accordance with Section 2-8.1.1 of the Code of Miami-Dade County, where two (2) or more related parties, as defined herein, each submit a proposal for any contract, such proposals shall be presumed to be collusive. Related parties shall mean Proposer, the principals, corporate officers, and managers of the Proposer; or the spouse, domestic partner, parents, stepparents, siblings, children or stepchildren of a Proposer or the principals, corporate officers and managers thereof which have a direct or indirect ownership interest in another Proposer for the same contract or in which a parent company or the principals thereof of one Proposer have a direct or indirect ownership in another Proposer for the same contract. Proposals found to be collusive shall be rejected. Proposers who have been found to have engaged in collusion may be considered non-responsible, and may be suspended or debarred, and any contract resulting from collusive bidding may be terminated for default.

1.10 Expedited Purchasing Program

Pursuant to Section 2-8.1.6 of the Code of Miami-Dade County, the County created the Expedited Purchasing Program (EPP). Due to the expedited nature of County projects issued under the EPP, prospective Proposers should anticipate a shortened solicitation timeline for submission of proposals. Technical, professional and legal staff may be used to determine best value as set forth in the Solicitation documents without the need to utilize the formal Competitive Selection Committee process established by the County. The County Mayor's or designee's written recommendation to award a contract under the EPP shall be sufficient to commence the bid protest period and terminate the Cone of Silence. Any legislation contrary to the provisions of the EPP shall be deemed suspended or amended as necessary to give effect to the intent of this Program.

1.11 Contract Measures

This Solicitation includes contract measures for Miami-Dade County Certified Small Business Enterprises (SBE's) pursuant to Sections 2-8.1.1.1.1 and 2.1.1.1.2 of the Code of Miami-Dade County as follows:

Set-aside:

This Solicitation is set-aside for SBE's.

Subcontractor Goal:

% SBE subcontractor goal is applicable. The purpose of a subcontractor goal is to have portions of the work under the contract performed by available subcontractors that are certified SBEs for contract values totaling not less than the percentage of the contract

value set out in this Solicitation. Subcontractor goals may be applied to a contract when estimates made prior to Solicitation advertisement identify the quality; quantity and type of opportunities in the contract and SBEs are available to afford effective competition in providing a percentage of these identified services. Proposers shall submit a completed Schedule of Intent Affidavit (Form SBD 504) at the time of proposal identifying all SBEs to be utilized to meet the subcontractor goal. The Schedule of Intent Affidavit shall specify the scope of work and commodity code the SBE will perform. The Schedule of Intent Affidavit constitutes a written representation by the Proposer that to the best of the Proposer's knowledge the SBEs listed are available and have agreed to perform as specified, or that the Proposer will demonstrate unavailability. The Schedule of Intent Affidavit can be found at <http://www.miamidade.gov/business/library/forms/sbe-soi.pdf>.

2.0 SCOPE OF SERVICES

2.1 Background

In 2014, a community driven effort was launched by a small group of business and government leaders with a stake and presence in South Dade. Nine committees, and more than 200 individual stakeholders established a vision for South Dade called *Tomorrow's South Dade*. The consensus goal from *Tomorrow's South Dade* focused on the need to create a plan for economic development that focused on: (1) Job Creation, (2) Job Retention, (3) Tax Base Expansion, and (4) Economic Stability/Growth. From 2014 to 2017, three "Solutions Summits" were convened, hosted and co-sponsored by Miami-Dade County Commissioners Dennis C. Moss and Daniella Levine Cava, and co-sponsored by the Economic Development Council of South Miami-Dade (EDC). The Solution Summits were held to continue addressing the area's long-standing economic needs and the absence of a definitive strategic plan for South Dade economic development, and further identified the following South Dade areas of opportunity for inclusion in a future plan: Biomedical Corridor; Tamiami Airport; ZooMiami; South Dade Government Center; Homestead Air Reserve Base Surplus Property; Park of Commerce (Homestead area); Enterprise Zone; Vacant commercial property; and Urban Centers/Smart Plan.

The State of Florida was declared a major disaster area as a result of Hurricane Irma by the President under the "Robert T. Stafford Disaster Relief and Emergency Assistance Act," on September 10, 2017. More specifically to the South Miami-Dade region, Hurricane Irma created a "special need" by causing extensive loss to the agricultural/tourism economy and allied businesses. It was estimated that crop losses, attributed to Hurricane Irma in South Dade, were approximately \$255.9 million. It is further estimated that approximately 700 full- and part-time workers employed with the numerous farms, suppliers, growers, and nurseries lost jobs as a direct result of the impact from Hurricane Irma. The job loss to seasonal/migrant workers (harvesters and pickers) was reported to be several thousand.

In August 2018, the Planning Division of the Miami-Dade County Department of Regulatory and Economic Resources (RER) and the South Florida Regional Planning Council (SFRPC), submitted an application as co-applicants to the U.S. Economic Development Administration (EDA) with the goal of developing a refreshed and comprehensive economic development plan for the South Miami-Dade region that integrates and builds on the efforts from *Tomorrow's South Dade* and the Solution Summits. On November 26, 2018, Miami-Dade County and the SFRPC received a Notice of Investment Award from the EDA to establish an economic development plan to support redevelopment and revitalization in the region after a natural disaster.

The Planning Division of RER provides services related to sound growth management, historic preservation, urban planning, and transportation development through the County's Comprehensive Development Master Plan. RER consistently utilizes economic, geographic, and demographic research to create data and stakeholder driven plans to shape the Miami-Dade community, and also releases economic and demographic profiles for the County on an annual basis as well as quarterly reports regarding the labor market, current economic trends, the real estate market, housing market, and international trade.

SFRPC is one of ten regional councils created by the Florida Legislature to address issues and plan solutions that are of greater than-local scope, assist in area wide cooperative activities of all levels of government, provide a regional perspective, plan

intergovernmental solutions to growth related problems and other challenges, provide technical assistance to local governments, and promote and facilitate economic development. The Council serves as the federally designated Economic Development District (EDD) for the geographic area of Broward, Miami-Dade, and Monroe counties. EDDs serve as geographic districts for the EDA and assist in the deployment of various economic development programs.

2.2 **Minimum Qualifications**

The Selected Proposer must be experienced in developing economic studies and economic development strategic plans for other public entity clients that are of comparable size and complexity as Miami-Dade County.

The Selected Proposer must have experience in Urban Planning, Economic Development, Economic and Demographic Studies, Post-Disaster Recovery efforts, Conducting Surveys, and Public Involvement processes. The Selected Proposer must demonstrate experience with public engagement and graphically summarizing complex information in a way that can be readily understood by the public.

2.3 **Preferred Qualifications**

The Selected Proposer should have extensive knowledge of the Miami-Dade County Comprehensive Development Plan, the South Florida Strategic Regional Policy Plan, and *Tomorrow's South Dade* vision process. It is preferred that the Team have previous experience in working in projects with a South Miami-Dade County focus.

2.4 **Tasks**

Utilizing the most recent data as well as ample stakeholder involvement, the Selected Proposer will develop a Strategic Plan for South Dade Economic Development, which will guide the long-term economic recovery and resilience of the region. The Plan will include a strategy to increase diversification of existing industries (including but not limited to manufacturing, agriculture, retail, and military), and the growth of industries in promising clusters (including but not limited to trade and logistics and biomedical). The Plan will include a strategy to increase South Dade's resiliency and ability to recover after adverse shocks in the future. The Plan will also include important infrastructure and other suggested investments to make South Dade, Miami-Dade County, and the South Florida region economies more resilient and globally competitive. In addition, the Plan will include strategies to expand and leverage the talent of South Dade's large youth population to ensure that the community's workforce can be properly trained for local employment and business development opportunities. Furthermore, the Plan will identify opportunities for the vast number of South Dade residents to be employed close-to-home instead of commuting long distances to find work.

The Plan will include but must not be limited to the following:

- i. Targeted industry development strategies and cluster development strategies
- ii. Infrastructure and site development
- iii. Research and development capacity building
- iv. Talent development and attraction, including secondary/post-secondary certification/degree pathways, and transition pathways from military and underemployed populations into training/education for targeted sectors
- v. Entrepreneurial ecosystem development

Below is a list of minimal analysis to be included in the Selected Proposers analysis:

4. Compile survey responses from economic development professionals in the region.

8. Augment Gap analysis with results from stakeholders and economic development professionals.

9. Engage regional stakeholders in the discussion of draft results and solicit additional participation and input.
11. Assist the SFRPC with presenting the project results to partners.

2.5 Deliverables

The selected Proposer shall provide a written Strategic Plan (Plan) for South Dade Economic Development containing a viable regional strategy for economic recovery, transformation, and resiliency with an emphasis on job creation and private investment in South Miami-Dade County, Florida. If a Miami-Dade County Certified Small Business Enterprise (SBE) measure is being applied to this Solicitation, a VBE which also qualifies for the SBE measure shall not receive the veteran's preference provided in this section and shall be limited to the applicable SBE preference. At the time of proposal submission, the firm must affirm in writing its compliance with the certification requirements of Section 295.187 of the Florida Statutes and submit this affirmation and a copy of the actual certification along with the Proposal Submittal Form.

4.6 Price Evaluation

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer's understanding of the County's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.7 Local Preference

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code of Miami-Dade County, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses. If, following the completion of final rankings by the Review Team a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Review Team will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations

The Review Team will evaluate, score and rank proposals, and submit the results of the evaluation to the County Mayor or designee with its recommendation. The County Mayor or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. The County Mayor or designee, at their sole discretion, may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, and/or may request best and final offers. In any event the County engages in negotiations with a single or multiple Proposers and/or requests best and final offers, the discussions may include price and conditions attendant to price.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Mayor's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall complete a Collusion Affidavit, in accordance with Section 2-8.1.1 of the Code of Miami-Dade County. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)
