Reasons for Recommendation

SBD reviewed this project pursuant to Implementing Order 3-41 for SBE-Goods & Services Measures. Project information analyzed included the project's scope of services, estimated project cost, minimum requirements/qualifications and funding source. Additional factors did not include surveys with certified firms due to insufficient availability.

A **Bid Preference** is appropriate for this project when the funding source permits.

A **No Measure** when funding source precludes the application of Small Business Measures.

There are no SBE certified firms under this commodity code.
