## **SECTION 2**

### **SPECIAL CONDITIONS**

#### **2.1 PURPOSE**

The purpose of this solicitation is to establish a contract for the purchase of uniforms in conjunction with the County's needs.

#### **2.2 TERM OF CONTRACT**

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Blanket Purchase Order issued by the Internal Services Department, Procurement Management Division. The contract shall expire on the last day of the sixtieth (60) month.

#### **2.3 METHOD OF AWARD**

Awards will be made to the lowest priced responsive, responsible bidder on an item-by-item basis. An item is defined as all associated and noted sizes and services of a particular article of clothing (i.e. Sizes S-XL and 2XL, embroidery of 3" letter...etc.). The County will multiply the unit price bid, by the estimated quantity given to arrive at an extended price.

If an awardee defaults, the County shall have the right to negotiate with the next responsive, responsible bidder for that group.

#### **2.4 PRICES**

The prices proposed by the successful bidder shall remain fixed for a period of no less than twelve (12) months after the commencement of the contract. After this period, the bidder may submit a request for price adjustment to the County based on documented price adjustments by the product's manufacturer. Acceptable documentation for an adjustment may be an email or letter by the product Manufacturer to its distributors notifying them of an adjustment. Said adjustment must be shown as a percentage or actual dollar value. Requested adjustments greater than five percent on any items current

value will be dis-allowed. The County reserves the right to negotiate lower pricing based on market conditions or other factors that influence price.

It is the bidder's responsibility to request any pricing adjustment under this provision. The bidder's request for adjustment must be submitted to the County's Internal Services Department, Procurement Management Division for review no less than 90 days prior to expiration of the then current contract year.

The County reserves the right to reject any price adjustments submitted by the bidder.

## **2.5 PRODUCTS**

- A. The mention of a particular manufacturer's brand name or style number in the specifications does not imply that this particular product is the only one that will be considered for purchase. This reference is intended solely to designate the style, color, type or quality of merchandise that will be acceptable. If an "equal" product is to be considered by the County in accordance with the pricing pages, the product shall be equal in style, color, quality and standards of performance to the item specified in the solicitation.

The determination as to whether any alternate product is or is not equal shall be made solely by Miami-Dade County and such determination shall be final and binding upon all bidders. Miami-Dade County reserves the right to request and review additional information and samples to make a determination.

Each 'equal' item must be clearly identified on the submittal pages(s) as to manufacturer and style number. Failure to provide this information with the offer may result in rejection of the offer.

## **B SAMPLES**

Bidders may be required to submit a sample of the goods to be supplied for evaluation by, and at no cost to the County. This sample will become property of the County, and may or may not be returned to the bidder at the County's option. If samples are required, the County will notify the bidder of such in writing and will specify the deadline for submission of the samples. Each individual sample shall be clearly labeled with the bidder's name, bid number, bid title, manufacturer's name, brand name, and style number if applicable and a pre-paid return label which the County may use to return the sample to the bidder. If the bidder fails to submit the samples, properly labeled, by the specified date stipulated in the notice, the County may not consider the bidder's proposal for that item(s). Any sample submitted shall create an express warranty that the whole of the goods and/or services to be provided by the bidder during the contract period shall conform to the sample submitted.

## **2.6 PURCHASE OF OTHER ITEMS**

While the County has listed items within this solicitation which are utilized by County departments in conjunction with their operations, there may be similar items that must be purchased during the term of this contract. Under these circumstances, a representative of the Internal Services Department, Procurement Management Division will contact the awarded bidders to obtain a price quote. Award of these items will be made as described in Section 2.0, Paragraph 2.3. In cases where a product has been awarded and additional sizes, colors or services are required by the County, the bidders awarded the item shall be solicited for the new requirement. The County retains the right to reject any quote received and purchase the item through other means.

## **2.7 SUBSTITUTION OF ITEMS**

Substitute brands and/or styles may be considered during the contract period. The bidder shall not deliver any substitute item as a replacement to an awarded product without express written consent from the Internal Services Department, Procurement Management Division prior to such delivery. Substitute items must be provided at the contract price and be of equal or better quality than the awarded item.

## **2.8 DELIVERY**

County department(s) will place orders for uniforms with the successful bidder. The successful bidder shall make deliveries of ordered items within thirty (30) calendar days after the date of the order with the exception of extended sizes which are defined as 3XL and larger which must be delivered within forty-five (45) calendar days of the order.

All deliveries shall be made in accordance with good commercial practice and all required delivery time frames shall be adhered to by the bidders; except in such cases where the delivery will be delayed due to acts of nature, strikes, or other causes beyond the control of the bidder. In these cases, the bidder shall notify the County of the delays in advance of the original delivery date so that a revised delivery schedule can be appropriately considered by the County.

Should the bidder(s) to whom the contract is awarded fail to deliver in the number of days stated above, the County reserves the right to cancel the order on a default basis. If the order is so terminated, it is hereby understood and agreed that the County has the authority to purchase the goods/services elsewhere and to charge the incumbent bidder with any re-procurement costs. If the bidder fails to honor these re-procurement costs, the County may terminate the contract for default. Repeated late delivery or failure to deliver complete order(s) may also result in default and contract termination.

## **2.9 INSURANCE REQUIREMENT**

The insurance requirement shown in Section 1.0 Paragraph 1.22 does not apply to this solicitation.

## **2.10 USE OF FEDERAL FUNDING**

Since the items that will be acquired under this solicitation will be purchased, in part or in whole, with federal funding, it is hereby agreed and understood that Section 60-250.4, Section 60-250.5 and Section 60-741.4 of Title 41 of the United States Code, which addresses Affirmative Action requirements for disabled workers, is incorporated into this solicitation and resultant contract by reference.
