Description of Project/Bid: The purpose of this solicitation is to establish a contract for commonly used batteries for Miami-Dade County. The resultant contract will ensure that all commonly used batteries will be accessible without delay to the County for immediate use. This solicitation will also establish a List of Prequalified Vendors (List) that will be used to solicit for miscellaneous batteries for Miami-Dade County. Placement on the List is not a contract between the County and the Vendor, but an acknowledgement that the Vendor meets the qualifications as outlined throughout this solicitation. Vendor Submittals will continue to be accepted throughout the term of the solicitation for placement on such List.
