Rev. 072518

SECTION 2

SPECIAL TERMS AND CONDITIONS

2.1 PURPOSE

The purpose of this solicitation is to establish a contract for the purchase of liquefied petroleum gas (also known as propane or LP gas) in conjunction with the County's needs on an as needed basis.

2.2 TERM OF CONTRACT

This contract shall commence on the first calendar day of the month succeeding approval of this contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Blanket Purchase Order issued by the Internal Services Department, Strategic Procurement Division. The contract shall expire on the last day of the sixty (60) month contract term.

If the vendor fails to perform in accordance with the terms and conditions of the contract, the vendor may be deemed in default of the contract. If the vendor defaults, the County shall have the right to negotiate with the next responsive, responsible vendor.

2.3 METHOD OF AWARD

Award will be made to the responsive, responsible Bidder(s) on a group-by-group basis, and whose offer represents the lowest price when all items within the group are added in the aggregate, and who meets the Bidder requirements below. In order to be considered for award, Bidders must submit an offer for all items listed within each group. Bidders may bid on any or all groups. The Bidder's prices for each group will be determined by multiplying the estimated quantity by unit price per item, and then totaling the resultant extended price amount for all items in the group. If a Bidder fails to submit an offer for all items within the group, its offer for that specific group may be rejected.

The contract consist of two Groups as follows, Group (A) Federally Funded Purchases and Group (B) Non Federally Funded Purchases as defined in Section 2, Paragraph 2.9 of the solicitation. This Adder Price shall be defined as consisting of all charges necessary for the bidder to fully complete and invoice the business transaction, inclusive of delivery, profit, and any other fees. The Adder Price excludes taxes and the Weekly Average Propane Price for Mount Belvieu as reported by OPIS. (See Sample Invoice in Section 4, Bid Submittal Form)

The Adder Price offered by the bidder may be a mark-up or discount. This Adder Price will be added to the Weekly Average Propane Price for Mount Belvieu as reported by the Oil Price Information Service (OPIS), for the week the LPG is delivered to the County.

2.4 BIDDER REQUIREMENTS

- 2.4.1** Bidder shall submit two (2) references that must be customers for which the Bidder has provided the services described in this solicitation within the last three (3) years. If the Bidder is using a County department/agency as a reference, the County will only accept one (1) reference from any County department/agency. The other reference must be from non-Miami-Dade County departments/agencies. The references must include the customer's name, contact person's name, title, telephone number, email address, project's name, and start and end dates. The County shall ascertain from these references to its satisfaction that the Bidder has sufficient experience and expertise providing services for the supply of natural gas (delivered by pipeline). As defined in Section 3, Scope of Work/Technical Specifications.

2.4.2 Bidder shall provide the name of the Project Manager, telephone number, emergency telephone number, and email address of the primary contact that the Bidder will assign to this project.

2.4.3 Bidder shall provide a valid copy of the following license issued by the Florida Department of Agriculture and Consumer Services Division:

1. Category I liquefied petroleum gas dealer

2.5 **ADDER PRICE SHALL BE FIXED AND FIRM FOR TERM OF CONTRACT**

If the bidder is awarded a contract under this solicitation, the Adder Price proposed by the bidder shall remain firm and fixed during the term of the contract, and any subsequent options to renew term that may be exercised by the County.

2.6 **METHOD OF PAYMENT PERIODIC INVOICES FOR COMPLETED PURCHASES**

The vendor shall submit an invoice(s) to the County user department(s) after purchase has been completed, whether the specific item(s) were picked up by authorized County personnel or delivered to the site by the vendor. In addition to the general invoice requirements set forth below, the invoices shall reference the corresponding delivery ticket number or packing slip number that was signed by an authorized representative of the County user department at the time the items were delivered and accepted. Submittal of these periodic invoices shall not exceed thirty (30) calendar days from the delivery of the items. Under no circumstances shall the invoices be submitted to the County in advance of the delivery and acceptance of the items.

The vendor shall furnish with each invoice a copy of the relevant page of the OPIS index price report for LPG as required in Section 2, Paragraph 2.3, to the attention of the authorized representative identified on the Purchase Order issued by the County department.

2.6.1 All invoices shall contain the following basic information:

- A. Adder Price plus the applicable index amount for the date of delivery for LPG.
- B. OPIS Weekly Average Propane Price

2.7 **INSURANCE**

The insurance requirements under Section 1.22, Paragraph A.2, Commercial General Liability Insurance, are superseded and replaced as follows:

- A. Worker's Compensation Insurance for all employees as required by Florida Statute 440.
- B. Commercial General Liability Insurance in an amount not less than \$1,000,000 per occurrence, \$2,000,000 in the aggregate. Coverage to include products & completed operations. **Miami-Dade County must be included as an additional insured**
- C. Automobile Liability Insurance covering all owned, non-owned and hired vehicles in an amount not less than \$1,000,000 combined single limit. Coverage to include endorsements CA9948 and MCS90
- D. Contractor's pollution liability for a minimum of \$1,000,000 per occurrence, \$2,000,000 annual aggregate.

Miami-Dade County must be shown as an additional insured with respect to this coverage.

2.8 FACILITIES MAY BE ADDED OR DELETED

Although this solicitation and resultant contract identifies specific facilities to be serviced, it is hereby agreed and understood that any County department or agency facility may be added or deleted from this contract at the option of the County. The addition/deletion of facilities shall not affect the Adder Price.

2.9 COMPLIANCE WITH FEDERAL REGULATIONS DUE TO USE OF FEDERAL FUNDING

- A. Since the goods, services, and/or items that will be acquired under this solicitation may be purchased, in part or in whole, with federal funding, it is hereby agreed and understood that Section 60-250.4, Section 60-250.5 and Section 60-741.4 of Title 41 of the United States Code, which addresses Affirmative Action requirements for disabled workers, is incorporated into this solicitation and resultant contract by reference.
- B. The goods, services, and/or items that will be acquired under this contract may be purchased, in part or in whole, with federal funding that is governed by certain specific procurement requirements and guidelines. It is hereby agreed and understood that any applicable federal procurement provisions, guidelines, or requirements specific to the County department using such funds are herein incorporated in the solicitation for any subsequent purchases under this contract.
- C. The following County departments will utilize federal funding to make purchases under this contract:
 - 1. Community Action and Human Services Department
 - 2. Public Housing and Community Development Department

These departments are identified as Group A in the Bid Submittal Form (Section 4).

2.10 COMPLIANCE WITH FEDERAL STANDARDS

All items to be purchased under this contract shall be in accordance with all governmental standards, to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA).

2.11 USE OF FEDERAL FUNDS - EXEMPTION FROM CERTAIN CLAUSES

The contract to be awarded under this solicitation will be accessed by the County departments identified in Section 2, Paragraph 2.25 (C), which will purchase items using funds provided by the Federal Government. Certain clauses within this Invitation to Bid shall not apply to those departments' allocations and purchases under this contract:

- 1. Section 1, Paragraph 1.10 (Local Preferences), Section 1, Paragraph 1.26 (Office of the Inspector General), Section 2, Paragraph 2.2 (Contract Measures and Preferences), and Section 2, Paragraph 2.21 (County User Access Program - UAP).

2.12 PURCHASE OF OTHER ITEMS NOT LISTED WITHIN THIS SOLICITATION BASED ON PRICE QUOTES

While the County has listed the major item (LPG) within this solicitation to be utilized by County departments in conjunction with their operations, there may be similar or related items that must be purchased by the

County during the term of this contract. Under these circumstances, a County representative will contact the awarded bidder to obtain a price quote for the similar items. The County reserves the right to award these similar items to the awarded bidder or to acquire the items through a separate solicitation.

In addition, it is understood and agreed that the County may purchase (or rent if needed) accessory items like Tanks, cylinders, fittings and/or repair service by issuing a purchase order against this contract under the same terms and conditions stipulated in the contract. In such cases, the County shall request a price quote from the awarded bidder describing the accessory items or services required. The County reserves the right to procure the accessory items or services required elsewhere if the County believes that the prices provided by the awarded bidder are unreasonable. The County shall be the sole judge of what constitutes a reasonable price.

2.13 PUBLIC SAFETY SPECIAL DELIVERY REQUIREMENTS DURING HURRICANE PREPARATION AND RECOVERY

During the annual hurricane season, some Departments may top-off their large capacity LPG storage Tanks. Departments with cylinder Tanks may request to have their less than full cylinders replaced with full cylinders. Should delivery be required during post hurricane recovery, the awarded bidder shall prioritize delivery to four (4) hours after receipt of order for any location listed under this solicitation. Should this not be possible, the awarded bidder shall advise the County of its revised delivery schedule and the awarded bidder shall make reasonable efforts to ensure that the County's public safety operation gas deliveries are prioritized over other non-County deliveries.

SECTION 3

SCOPE OF WORK/TECHNICAL SPECIFICATIONS

3.1 SCOPE

The awarded bidder shall supply and deliver liquefied petroleum gas (also known as LPG and Propane) as specified in this solicitation to various Miami-Dade County locations and facilities. The County will make bulk purchases for delivery to large capacity storage Tanks, and will purchase LPG delivered in cylinders. Storage Tank and cylinder sizes will vary from location to location.

3.2 GAS SPECIFICATIONS

3.2.1 All liquefied petroleum gases shall meet or exceed the specifications as set forth in the latest edition of the National Gas Processors Association (NGPA) standards NGPA 2140.

3.2.2 All liquefied petroleum gases shall be odorized as set forth in the latest edition of National Board of Fire Underwriters (NBFU) standards for storage and handling of LPG, Number 58. The awarded bidder shall also meet all other applicable provisions of NBFU No. 58.

3.3 DELIVERY TRUCK REQUIREMENTS

The awarded bidder shall supply and deliver LPG from a vehicle equipped with a gas meter. The delivery tickets shall indicate the meter reading prior to and after delivery of the gas is made to the County.

3.4 LPG CYLINDERS

3.4.1 The following listing of cylinder sizes and capacities represents the LPG cylinders for which gas may be purchased by the County under this contract. This listing is not exhaustive and the County may purchase LPG for additional sizes of cylinders.

A. Steel Vertical LPG Cylinders

	<u>Size</u>	<u>Capacity</u>
i.	20	5 gallons
ii.	30	7 gallons
iii.	40	10 gallons
iv.	100	25 gallons

B. Aluminum Vertical LPG Cylinders

	<u>Size</u>	<u>Capacity</u>
i.	20	5 gallons
ii.	33.5	8 gallons

C. Aluminum Horizontal LPG Cylinders (Mowers)

	<u>Size</u>	<u>Capacity</u>
i.	33.5	8 gallons

As per standard industry practice, the awarded bidder shall replace one-for-one cylinder of gas for the same size, capacity, and type, for LPG purchased in cylinders.

3.5 MINIMUM ORDERS AND OTHER CHARGES

The awarded bidder shall not impose or require any minimum quantities per order for LPG or related items purchased under this contract. The awarded bidder shall not append any surcharges, storage, demurrage or additional charges (except for applicable taxes and fees) to LPG orders under this contract.

3.6 COUNTY LOCATIONS BY DEPARTMENTS FOR DELIVERIES OF LPG

The following is a listing of County locations, by departments, for the delivery of LPG. The County will notify the awarded bidder of any changes to this listing during the term of the contract. The awarded bidder accepts that locations may be deleted or added at any time during the contract term, at the discretion of the County.

This listing shall consist of but not limited to:
